ELEVATING CLEAN

California's Most Trusted **Jan/San Distributor** Partner Since 1960

MAINTEX
CLEAN DELIVERED

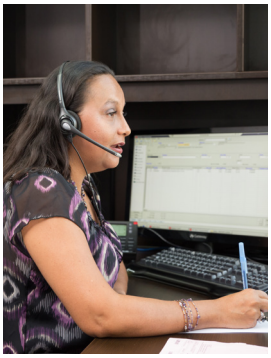
PUBLIC SECTOR

Our Mission: We foster healthy communities by supplying effective cleaning solutions.

Cleaning chemicals

Janitorial supplies

Safety products



Leading Distributor

175+ vendor partners, 3,500+ stocked products, and strategically positioned distribution centers to ensure a reliable and timely supply chain. Maintex distribution centers carry a full line of cleaning chemicals, janitorial supplies, safety products, warewashing & laundry systems, and food service disposables. Our sales and customer service experts will support your team to identify the right solutions and product bundle to meet your needs.

Innovative Manufacturer

300+ cleaning chemicals manufactured locally in California including U.S. EPA Safer Choice, Green Seal, EPA registered disinfectants, and UL Solutions certified products. Our team of chemists, regulatory specialists, and quality control experts ensure your cleaning professionals have the right bundle and formulary to tackle the toughest jobs.

Trustworthy Advice

On-site support providing the best product solutions, staff training, and partnering to ensure your needs are exceeded.

Business Tools

Online Ordering: best-in-class e-commerce system with additional management tools including supervisor approval, custom catalogs, inventory management, and much more.

Connectivity: EDI and Punchout enabled ordering connectivity.

Reporting & Analytics: PowerBI dashboards to track spend and key performance indicators for your supply chain. Monthly, automatically generating reporting with over 100 data fields available upon request.

Order Tracking: real time order tracking, delivery updates, and proof-of-delivery on your phone, tablet, or computer.

Vendor Managed Inventory (VMI): Maintex managed inventory white glove service including QR codes, customized inventory levels by delivery location, and web based application to manage supply chain. Maintex VMI provides best-in-class supply chain solutions which enables you to focus on your core mission.

Our products, equipment, and service is backed by expert guidance and over 60 years experience.

Warewashing & laundry

Food service disposables

Equipment

Equipment & Maintenance

Partnering with leading equipment manufacturers to provide solutions to improve cleanliness, reduce risk, and enhance your building's image. We offer autonomous machines, floor scrubbers, burnishers, side-by-side machines, carpet care equipment, and restroom systems are backed by industry leading warranties and service technicians. Maintex partners with leading manufacturers including Tennant, IPC Eagle, ProTeam, Motorscrubber, i-team Global, and many more and we are an authorized service center for over 30 national brands.

Training & Education

The Maintex Cleaning Academy offers comprehensive videos, step-by-step guides, and a broad range of training programs to ensure cleaning professionals are following industry standard procedures, safety protocols, and best practices. Co-branded and private-branded training programs are available upon request. Visit academy.maintex.com for more info. Additional training support includes:

- Online training (partner portals)
- On-site or at Maintex in-service training
- Cleaning guides
- Wall charts and janitor cart cards
- Regulatory compliance overviews

Our 5 Promises of Clean

Sustainability: product bundles that reduce your carbon footprint, are third party certified, and manufactured responsibly.

Health & Wellness: solutions to improve indoor air quality, health and hygiene, and reduce the spread of infection within your workplace.

Cost: the best supply chain to fit your budget and financial goals.

Safety: solutions to improve safety and reduce your risk and workers compensation levels.

Productivity: innovations and technologies to enhance employee productivity while maximizing performance levels.
