VECTORY™

# A BOLD NEW WAY TO PLAY

**VECTORY™ transforms the Splashpad® into a dynamic, gamified play zone with interactive features that twist, push, and pull. This innovative collection blends strategy, teamwork, and high-energy fun for all ages, from toddlers to tweens, and even parents and grandparents.**

With 12 purposefully designed products and 3 exclusive technologies, VECTORY™ redefines what a Splashpad® can be. Explore a bold new generation of play that keeps communities coming back, splash after splash.

& Excitement!**

## NEW PLAY EXPERIENCE

VECTORY™ turns passive play into a dynamic experience. Whether it's a surprise splash, a race to activate features, or an epic team challenge, these products encourage kids to team up, strategize, and laugh together, again and again.

**Built for Inclusive,  
Community-Driven Fun.**

## INTERGENERATIONAL PLAY

VECTORY™ transforms every splash into meaningful engagement. With features that are intuitive, fun, and accessible for children, parents, and grandparents, it fosters collaboration across generations—turning water play into a shared adventure that keeps families connected.
