NOW, THEREFORE, Vendor and Purchaser, intending to be legally bound, hereby agree as follows:

ARTICLE 1 – CERTAIN DEFINITIONS

1.1 "Agreement" shall mean this Master Price Agreement, including the main body of this Agreement and Attachments A-G attached hereto and by this reference incorporated herein, including Purchaser's Request for Proposal No. 2530 (herein "RFP") and Vendor's Proposal submitted in response to the RFP (herein "Vendor's Proposal") as referenced and incorporated herein as though fully set forth (sometimes referred to collectively as the "Contract Documents").

1.2 "Applicable Law(s)" shall mean all applicable federal, state, tribal, and local laws, statutes, ordinances, codes, rules, regulations, standards, orders and other governmental requirements of any kind.

1.3 "Employee Taxes" shall mean all taxes, assessments, charges and other amounts whatsoever payable in respect of, and measured by the wages of, the Vendor's employees (or subcontractors), as required by the Federal Social Security Act and all amendments thereto and/or any other applicable federal, state, tribal or local law.

1.4 "Purchaser's Destination" shall mean such delivery location(s) or destination(s) as Purchaser or Participating Agency may prescribe from time to time.

1.5 "Products and Services" shall mean the products and/or services to be sold by Vendor hereunder as identified and described on Attachment A hereto and incorporated herein, as may be updated from time to time by Vendor to reflect products and/or services offered by Vendor generally to its customers.

1.6 "Purchase Order" shall mean any authorized written order for Products and Services sent by Purchaser or Participating Agency to Vendor via mail, courier, overnight delivery service, email, fax and/or other mode of transmission as Purchaser and Vendor may from time to time agree.

1.7 "Unemployment Insurance" shall mean the contribution required of Vendor, as an employer, in respect of, and measured by, the wages of its employees (or subcontractors) as required by any applicable federal, state or local unemployment insurance law or regulation.

1.8 "National Purchasing Partners" or "(NPP)" is a subsidiary of two nonprofit health care systems. The Government Division of NPP, hereinafter referred to as "NPPGov", provides group purchasing marketing and administrative support for governmental entities within the membership. NPPGov's membership includes participating public entities across North America.

1.9 "Lead Contracting Agency" shall mean the LEAGUE OF OREGON CITIES, which is the governmental entity that issued the Request for Proposal and awarded this resulting Master Price Agreement.

1.10 "Participating Agencies" shall mean members of National Purchasing Partners for which Vendor has agreed to extend the terms of this Master Price Agreement pursuant to Article 2.6 and Attachment C herein. For purposes of cooperative procurement, "Participating Agency" shall be considered "Purchaser" under the terms of this Agreement.

1.11 "Party" and "Parties" shall mean the Purchaser and Vendor individually and collectively as applicable.

ARTICLE 2 – AGREEMENT TO SELL

2.1 Vendor hereby agrees to sell to Purchaser such Products and Services as Purchaser may order from time to time by Purchase Order, all in accordance with and subject to the terms, covenants and conditions of this Agreement. Purchaser agrees to purchase those Products and Services ordered by Purchaser by Purchase Order in accordance with and subject to the terms, covenants and conditions of this Agreement.

2.2 Vendor may add additional products and services to the contract provided that any additions reasonably fall within the intent of the original RFP specifications. Pricing on additions shall be equivalent to the percentage discount for other similar products. Vendor may provide a web-link with current product listings, which may be updated periodically, as allowed by the terms of the resulting Master Price Agreement. Vendor may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products may be added to avoid competitive procurement requirements. LOC may reject any additions without cause.

2.3 All Purchase Orders issued by Purchaser to Vendor for Products during the term (as hereinafter defined) of this Agreement are subject to the provisions of this Agreement as though fully set forth in such Purchase Order. The Vendor retains authority to negotiate above and beyond the terms of this Agreement to meet the Purchaser or Vendor contract requirements. In the event that the provisions of this Agreement conflict with any Purchase Order issued by Purchaser to Vendor, the provisions of this Agreement shall govern. No other terms and conditions, including, but not limited to, those contained in any Purchase Order, order acknowledgment, invoices or otherwise, shall have any application to or effect upon or be deemed to constitute an amendment to or to be incorporated into this Agreement, any

Purchase Order, or any transactions occurring pursuant hereto or thereto, unless this Agreement shall be specifically amended to adopt such other terms and conditions in writing by the Parties.

2.4 Notwithstanding any other provision of this Agreement to the contrary, the Lead Contracting Agency shall have no obligation to order or purchase any Products and Services hereunder and the placement of any Purchase Order shall be in the sole discretion of the Participating Agencies. This Agreement is not exclusive. Vendor expressly acknowledges and agrees that Purchaser may purchase at its sole discretion, Products and Services that are identical or similar to the Products and Services described in this Agreement from any third party.

2.5 In case of any conflict or inconsistency between any of the Contract Documents, the documents shall prevail and apply in the following order of priority:

- (i) This Agreement;
- (ii) Vendor's Proposal;
- (iii) The RFP

Vendor has provided a list of Exceptions to the RFP Solicitation identified in Vendor's Proposal. All Vendor's Exceptions to the RFP Solicitation and to this Agreement are **approved** and by this reference incorporated herein.

Vendor's list of Exceptions to the NPPGov's Vendor Administration Agreement do not concern Purchaser and will be negotiated in that separate Agreement and are thus **rejected** herein.

2.6 Extension of contract terms to Participating Agencies:

2.6.1 Vendor agrees to extend the same terms, covenants and conditions available to Purchaser under this Agreement to Participating Agencies, that have executed an Intergovernmental Cooperative Purchasing Agreement ("IGA") as may be required by each Participating Agency's local laws and regulations, in accordance with Attachment C. Each Participating Agency will be exclusively responsible for and deal directly with Vendor on matters relating to ordering, delivery, inspection, acceptance, invoicing, and payment for Products and Services in accordance with the terms and conditions of this Agreement as if it were "Purchaser" hereunder. Any disputes between a Participating Agency and Vendor will be resolved directly between them under and in accordance with the laws of the State in which the Participating Agency exists. Pursuant to the IGA, the Lead Contracting Agency shall not incur any liability as a result of the access and utilization of this Agreement by other Participating Agencies.

2.6.2 *This Solicitation meets the public contracting requirements of the Lead Contracting Agency and may not be appropriate under or meet Participating Agencies' procurement laws. Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local, tribal, and state solicitation requirements.*

2.6.3 Vendor acknowledges execution of the Vendor Administration Fee Agreement, Contract Number VA25640, with NPPGov, as required by the terms of the RFP.

2.7 Oregon Public Agencies are prohibited from use of Products and Services offered under this Agreement that are already provided by qualified nonprofit agencies for disabled individuals as listed on the Department of Administrative Service's Procurement List ("Procurement List") pursuant to ORS 279.835-.855. See www.OregonRehabilitation.org/qrf for more information. Vendor shall not sell products and services

identified on the Procurement List (e.g., reconditioned toner cartridges) to Purchaser or Participating Agencies within the state of Oregon.

ARTICLE 3 – TERM AND TERMINATION

3.1 The initial contract term shall be for four (4) calendar years from the Effective Date of this Agreement (“Initial Term”). Upon termination of the original four (4) year term, this Agreement shall automatically extend for a one (1) year period; (“Renewal Term”); provided, however, that the Lead Contracting Agency and/or the Vendor may opt to decline extension of the MPA by providing notification in writing at least thirty (30) calendar days prior to the annual automatic extension anniversary of the Initial Term. Notwithstanding anything to the contrary, if an order is issued by a Participating Agency prior to expiration or termination of this Master Price Agreement and extends beyond the expiration or termination of this Master Price Agreement, the terms of the Master Price Agreement shall govern that order and continue until all obligations by both the Proposer and Participating Agency are completed.

3.2 Either Vendor or the Lead Contracting Agency may terminate this Agreement by written notice to the other party if the other Party breaches any of its obligations hereunder and fails to remedy the breach within thirty (30) days after receiving written notice of such breach from the non-breaching party.

ARTICLE 4 – PRICING, INVOICES, PAYMENT AND DELIVERY

4.1 Purchaser shall pay Vendor for all Products and Services ordered and delivered in compliance with the terms and conditions of this Agreement at the pricing specified for each such Product and Service on Attachment A, including shipping. Unless Attachment A expressly provides otherwise, the pricing schedule set forth on Attachment A hereto shall remain fixed for the Initial Term of this Agreement; provided that manufacturer pricing is not guaranteed and may be adjusted based on the next manufacturer price increase. Pricing contained in Attachment A shall be extended to all NPPGov, Public Safety GPO, First Responder GPO and Law Enforcement GPO members upon execution of the IGA.

4.2 Vendor shall submit original invoices to Purchaser in form and substance and format reasonably acceptable to Purchaser. All invoices must reference the Purchaser’s Purchase Order number, contain an itemization of amounts for Products and Services purchased during the applicable invoice period and any other information reasonably requested by Purchaser, and must otherwise comply with the provisions of this Agreement. Invoices shall be addressed as directed by Purchaser.

4.3 Unless otherwise specified, Purchaser is responsible for any and all applicable sales taxes. Attachment A or Vendor’s Proposal (Attachment E) shall specify any and all other taxes and duties of any kind which Purchaser is required to pay with respect to the sale of Products and Services covered by this Agreement and all charges for packing, packaging and loading.

4.4 Except as specifically set forth on Attachments A and G, Purchaser shall not be responsible for any additional costs or expenses of any nature incurred by Vendor in connection with the Products and Services, including without limitation travel expenses, clerical or administrative personnel, long distance telephone charges, etc. (“Incidental Expenses”).

4.5 Price reductions or discount increases may be offered at any time during the contract term and shall become effective upon notice of acceptance from Purchaser.

4.6 Notwithstanding any other agreement of the Parties as to the payment of shipping/delivery costs, and subject to Attachments A, E, and G herein, Vendor shall offer delivery and/or shipping costs prepaid FOB Destination. If there are handling fees, these also shall be included in the pricing.

4.7 Unless otherwise directed by Purchaser for expedited orders, Vendor shall utilize such common carrier for the delivery of Products and Services as Vendor may select; provided, however, that for expedited orders Vendor shall obtain delivery services hereunder at rates and terms not less favorable than those paid by Vendor for its own account or for the account of any other similarly situated customer of Vendor.

4.8 Vendor shall have the risk of loss of or damage to any Products until delivery to Purchaser. Purchaser shall have the risk of loss of or damage to the Products after delivery to Purchaser. Title to Products shall not transfer until the Products have been delivered to and accepted by Purchaser at Purchaser's Destination.

ARTICLE 5 – INSURANCE

5.1 During the term of this Agreement, Vendor shall maintain at its own cost and expense (and shall cause any subcontractor to maintain) insurance policies providing insurance of the kind and in the amounts generally carried by reasonably prudent manufacturers in the industry, with one or more reputable insurance companies licensed to do business in Oregon and any other state or jurisdiction where Products and Services are sold hereunder. Such copies of the certificates of insurance shall be made available to the Lead Contracting Agency upon at least 72 hours' notice. BY SIGNING THE AGREEMENT PAGE THE VENDOR AGREES TO THIS REQUIREMENT AND FAILURE TO MEET THIS REQUIREMENT WILL RESULT IN CANCELLATION OF THIS MASTER PRICE AGREEMENT.

5.2 All insurance required herein shall be maintained in full force and effect until all work or service required to be performed under the terms of this Agreement is satisfactorily completed and formally accepted. Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect coverage afforded under the insurance policies to protect the Lead Contracting Agency. The insurance policies may provide coverage that contains deductibles or self-insured retentions. Vendor shall be solely responsible for the deductible and/or self-insured retention and the Lead Contracting Agency, at its option, may require Vendor to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

5.3 Vendor shall carry Workers' Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction over Vendor's employees engaged in the performance of the work or services, as well as Employer's Liability insurance. Vendor waives all rights against the Lead Contracting Agency and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the Workers' Compensation and Employer's Liability or commercial umbrella liability insurance obtained by Vendor pursuant to this Agreement.

5.4 Insurance required herein shall not be permitted to expire, be canceled, or materially changed without thirty days (30 days) prior written notice to the Lead Contracting Agency.

5.5 Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Purchaser and other additional insureds for losses paid under the insurance policies required by this Agreement. The waiver must apply to all deductibles and/or self-insured retentions applicable to the necessary insurance that the Vendor maintains.

ARTICLE 6 – INDEMNIFICATION AND HOLD HARMLESS

6.1 Vendor agrees that it shall indemnify, defend and hold harmless Lead Contracting Agency, its respective officials, directors, employees, members and agents (collectively, the "Indemnitees"), from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities (including, without limitation, reasonable attorney's fees), suffered directly or indirectly by any of the Indemnitees to the extent of,

or arising out of, (iii) the negligence or intentional misconduct of Vendor, any subcontractor of Vendor, or any of their respective employees or agents, (iv) any failure of Vendor, its subcontractors, or their respective employees to comply with any Applicable Law, (vi) any Employee Taxes or Unemployment Insurance, or (vii) any claim alleging that the Products and Services or any part thereof infringe any third party's U.S. patent, copyright, trademark, trade secret or other intellectual property interest. Such obligation to indemnify shall not apply where the damage, claim, loss, expense, cost, obligation or liability is due to the breach of this Agreement by, or negligence or willful misconduct of, Lead Contracting Agency or its officials, directors, employees, agents or contractors. The amount and type of insurance coverage requirements set forth herein will in no way be construed as limiting the scope of the indemnity in this paragraph. The indemnity obligations of Vendor under this Article shall survive the expiration or termination of this Agreement for two years.

6.2 LIMITATION OF LIABILITY: IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR INJURIES TO PERSONS OR TO PROPERTY OR LOSS OF PROFITS OR LOSS OF FUTURE BUSINESS OR REPUTATION, WHETHER BASED ON TORT OR BREACH OF CONTRACT OR OTHER BASIS, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6.3 The same terms, conditions and pricing of this Agreement may be extended to government members of National Purchasing Partners, LLC. In the event the terms of this Agreement are extended to other government members, each government member (procuring party) shall be solely responsible for the ordering of Products and Services under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a procuring party, and the procuring party shall hold non-procuring parties or unrelated purchasing parties harmless from any liability that may arise from action or inaction of the procuring party.

ARTICLE 7 – WARRANTIES

Purchaser shall refer to Vendor's Proposal for all Vendor and manufacturer express warranties, as well as those warranties provided under Attachment B herein.

ARTICLE 8 - INSPECTION AND REJECTION

8.1 Purchaser shall have the right to inspect and test Products at any time prior to shipment, and within a reasonable time after delivery to the Purchaser's Destination. Products not rejected in writing within ten (10) days after delivery shall be deemed accepted by Purchaser. The payment for Products shall in no way impair the right of Purchaser to reject nonconforming Products, or to avail itself of any other remedies to which it may be entitled.

8.2 If any of the Products are found at any time during the applicable warranty period to be defective in material or workmanship, damaged, or otherwise not in conformity with the requirements of this Agreement or any applicable Purchase Order, as its exclusive remedy, Purchaser may at its option and at Vendor's sole cost and expense, elect either to (i) return any damaged, non-conforming or defective Products to Vendor for correction or replacement, or (ii) require Vendor to inspect the Products and remove or replace damaged, non-conforming or defective Products with conforming Products. Payment by Purchaser of any invoice shall not constitute acceptance of the Products covered by such invoice, and acceptance by Purchaser shall not relieve Vendor of its warranties or other obligations under this Agreement.

8.3 The provisions of this Article shall survive the expiration or termination of this Agreement.

ARTICLE 9 – SUBSTITUTIONS

Except as otherwise permitted hereunder, Vendor may not make any substitutions of Products, or any portion thereof, of any kind without the prior written consent of Purchaser.

ARTICLE 10 - COMPLIANCE WITH LAWS

10.1 Vendor agrees to comply with all Applicable Laws and at Vendor's expense, secure and maintain in full force during the term of this Agreement, all licenses, permits, approvals, authorizations, registrations and certificates, if any, required by Applicable Laws in connection with the performance of its obligations hereunder. At Purchaser's request, Vendor shall provide to Purchaser copies of any or all such licenses, permits, approvals, authorizations, registrations and certificates.

10.2 Purchaser has taken all required governmental action to authorize its execution of this Agreement and there is no governmental or legal impediment against Purchaser's execution of this Agreement or performance of its obligations hereunder.

10.3 When a Participating Agency procures Products and Services under this Agreement using United States federal funds, including but not limited to federal grants or FEMA funding, the procurement shall be subject to the terms and conditions set forth in Attachment D – Requirements for Procurements Utilizing Federal Funds and Grants, which is incorporated herein by reference. The Vendor shall comply with all applicable federal laws, regulations, and requirements outlined in Attachment D, including but not limited to those specified in 2 C.F.R. § 200, as amended, and any additional stipulations based on the source of funding. All references to "federal" in this section and Attachment D pertain exclusively to the United States federal government.

10.4 When a Participating Agency accesses Vendor's Products and Services with United States federal funds, Vendor shall comply with the provisions set forth in Attachment D – Provisions for Non-United States Federal Entity Procurements Under United States Federal Awards or Other Awards, which is incorporated herein by reference.

ARTICLE 11 – PUBLICITY / CONFIDENTIALITY

11.1 No news releases, public announcements, advertising materials, or confirmation of same, concerning any part of this Agreement or any Purchase Order issued hereunder shall be issued or made without the prior written approval of the Parties, excluding any publishing of the Agreement for use by Participating Agencies. Neither Party shall, in any advertising, sales materials or in any other way, use any of the names or logos of the other Party without the prior written approval of the other Party.

11.2 Any knowledge or information which Vendor or any of its affiliates shall have disclosed or may hereafter disclose to Purchaser, and which in any way relates to the Products and Services covered by this Agreement shall not, unless otherwise designated by Vendor, be deemed to be confidential or proprietary information, and shall be acquired by Purchaser, free from any restrictions, as part of the consideration for this Agreement.

ARTICLE 12 - RIGHT TO AUDIT

Subject to Vendor's reasonable security and confidentiality procedures, Purchaser, or any third party retained by Purchaser, may at any time upon prior reasonable notice to Vendor, during normal business hours, audit the books, records and accounts of Vendor to the extent that such books, records and accounts pertain to sale of any Products and Services hereunder or otherwise relate to the performance of this Agreement by Vendor. Vendor shall maintain all such books, records and accounts for a period of at least

three (3) years after the date of expiration or termination of this Agreement. The Purchaser's right to audit under this Article 12 and Purchaser's rights hereunder shall survive the expiration or termination of this Agreement for a period of three (3) years after the date of such expiration or termination.

ARTICLE 13 - REMEDIES

Except as otherwise provided herein, any right or remedy of Vendor or Purchaser set forth in this Agreement shall not be exclusive, and, in addition thereto, Vendor and Purchaser shall have all rights and remedies under Applicable Law, including without limitation, equitable relief. The provisions of this Article shall survive the expiration or termination of this Agreement.

ARTICLE 14 - RELATIONSHIP OF PARTIES

Vendor is an independent contractor and is not an agent, servant, employee, legal representative, partner or joint venture of Purchaser. Nothing herein shall be deemed or construed as creating a joint venture or partnership between Vendor and Purchaser. Neither Party has the power or authority to bind or commit the other.

ARTICLE 16 - FORCE MAJEURE

Except for Purchaser's obligation to pay for Products and Services delivered, delay in performance or non-performance of any obligation contained herein shall be excused to the extent such failure or non-performance is caused by force majeure. For purposes of this Agreement, "force majeure" shall mean any cause or agency preventing performance of an obligation which is beyond the reasonable control of either Party hereto, including without limitation, fire, flood, sabotage, shipwreck, embargo, strike, explosion, labor

trouble, accident, riot, acts of governmental authority (including, without limitation, acts based on laws or regulations now in existence as well as those enacted in the future), acts of nature, and delays or failure in obtaining raw materials, supplies or transportation. A Party affected by force majeure shall promptly provide notice to the other, explaining the nature and expected duration thereof, and shall act diligently to remedy the interruption or delay if it is reasonably capable of being remedied. In the event of a force majeure situation, deliveries or acceptance of deliveries that have been suspended shall not be required to be made upon the resumption of performance.

ARTICLE 17 - WAIVER

No delay or failure by either Party to exercise any right, remedy or power herein shall impair such Party's right to exercise such right, remedy or power or be construed to be a waiver of any default or an acquiescence therein; and any single or partial exercise of any such right, remedy or power shall not preclude any other or further exercise thereof or the exercise of any other right, remedy or power. No waiver hereunder shall be valid unless set forth in writing executed by the waiving Party and then only to the extent expressly set forth in such writing.

ARTICLE 18 - PARTIES BOUND; ASSIGNMENT

This Agreement shall inure to the benefit of and shall be binding upon the respective successors and assigns of the Parties hereto, but it may not be assigned in whole or in part by either Party without prior written notice to the other Party which shall not be unreasonably withheld or delayed.

ARTICLE 19 - SURVIVABILITY/PARTICIPATING AGENCY DISCRETIONARY EXTENSION

Provided the laws of the jurisdiction of the Participating Agency permit survivability of the contract term through a mutually agreed upon extension of the agreement between the Participating Agency and the Vendor beyond the term of the publicly awarded Agreement, to be determined and confirmed by the Participating Agency at its sole discretion, all applicable agreements and warranties that were entered into between Vendor and the Participating Agency under the terms and conditions of the Agreement shall survive the expiration or termination of the Agreement if mutually agreed upon between the Vendor and the Participating Agency. All purchase orders issued and accepted by Vendor shall survive expiration or termination of the Agreement for the term of the purchase order or subscription, unless the Participating Agency terminates the purchase order sooner. Contract maintenance and adjustments contemplated after the maturity date of the Lead Public Agency cooperative procurement contract, and prior to the expiration date of the Purchase Order or subscription, shall be individually negotiated directly between the awarded Vendor and the Participating Agency identified in that Purchase Order or subscription. Rights and obligations under this Agreement which by their nature should survive, including, but not limited to, the administrative fee provided in the Vendor Administrative Agreement and any and all payment obligations invoiced prior to the termination or expiration hereof, obligations of confidentiality, and indemnification will remain in effect after termination or expiration hereof.

ARTICLE 20 - SEVERABILITY

To the extent possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under Applicable Law. If any provision of this Agreement is declared invalid or unenforceable, by judicial determination or otherwise, such provision shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as if not containing the particular invalid or unenforceable provision or provisions and the rights and obligations of the Parties shall be construed and enforced accordingly.

ARTICLE 21 - INCORPORATION; ENTIRE AGREEMENT

21.1 All the provisions of the Attachments hereto are hereby incorporated herein and made a part of this Agreement. In the event of any apparent conflict between any provision set forth in the main body of this Agreement and any provision set forth in the Attachments, including the RFP and/or Vendor's Proposal, the provisions shall be interpreted, to the extent possible, as if they do not conflict. If such an interpretation is not possible, the provisions set forth in the main body of this Agreement shall control.

21.2 This Agreement (including Attachments and Contract Documents hereto) constitutes the entire Agreement of the Parties relating to the subject matter hereof and supersedes any and all prior written and oral agreements or understandings relating to such subject matter.

ARTICLE 22 - HEADINGS

Headings used in this Agreement are for convenience of reference only and shall in no way be used to construe or limit the provisions set forth in this Agreement.

ARTICLE 23 - MODIFICATIONS

This Agreement may be modified or amended only in writing executed by Vendor and the Lead Contracting Agency. The Lead Contracting Agency and each Participating Agency contracting hereunder acknowledge and agree that any agreement entered into in connection with any Purchase Order hereunder shall constitute a modification of this Agreement as between the Vendor and the Participating Agency. Any modification of this Agreement as between Vendor and any Participating Agency shall not be deemed a modification of this Agreement for the benefit of the Lead Contracting Agency or any other Participating Agency.

ARTICLE 24 - GOVERNING LAW

REQUIREMENTS FOR PROCUREMENTS UTILIZING FEDERAL FUNDS AND GRANTS

Summary of Key Provisions for Participating Agencies Utilizing U.S. Federal Funds

Participating Agencies acquiring goods or services through this contract using United States federal grants or FEMA funding are subject to specific requirements, including those outlined in 2 C.F.R. § 200. Additional stipulations may apply based on the source of funding. For reference, “federal” pertains exclusively to the United States federal government.

The following provisions are applicable solely when a Participating Agency procures Vendor equipment, products, or services with United States federal funds and to the extent they apply to the Products or Services being purchased hereunder:

A. Equal Employment Opportunity

Contracts classified as “federally assisted construction contracts” under 41 C.F.R. § 60-1.3 must incorporate the Equal Opportunity clause pursuant to 41 C.F.R. § 60-1.4(b), ensuring compliance with Executive Order 11246 (as amended) and relevant Department of Labor regulations. This provision is included by reference.

B. Davis-Bacon Act, as Amended (40 U.S.C. § 3141-3148)

Prime construction contracts exceeding \$2,000 require adherence to the Davis-Bacon Act and related Department of Labor regulations (29 C.F.R. § 5). Contractors must pay at least the prevailing wage determined by the Secretary of Labor, with weekly payments mandated. Each solicitation must feature the current wage determination, and any violations must be reported to the awarding agency. Compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145; 29 C.F.R. § 3) is also required.

C. Contract Work Hours and Safety Standards Act (40 U.S.C. § 3701-3708)

Contracts exceeding \$100,000 involving mechanics or laborers must comply with 40 U.S.C. §§ 3702 and 3704, and 29 C.F.R. § 5. Wages must reflect a standard 40-hour work week, with overtime compensated at no less than one and a half times the basic rate. Workers must not be subjected to hazardous or unsafe conditions. These rules exclude supply purchases and transportation contracts. The Vendor confirms compliance throughout the contract duration.

D. Rights to Inventions Made By Nonprofit Organizations and Small Business Firms Under a Contract or Agreement

If the federal award qualifies as a “funding agreement” per 37 C.F.R. § 401.2(a), recipients contracting with small businesses or nonprofit organizations for research must observe 37 C.F.R. § 401 and associated regulations.

E. Clean Air Act and Federal Water Pollution Control Act

For contracts and subgrants exceeding \$150,000, full compliance with the Clean Air Act (42 U.S.C. § 7401–7671Q) and Federal Water Pollution Control Act (33 U.S.C. § 1251–1387) is mandatory. Any

violations should be reported to both the awarding agency and the EPA. Vendors certify their compliance.

F. Debarment and Suspension (Executive Orders 12549 and 12689)

No contract shall be awarded to entities listed in the System for Award Management (SAM) exclusions under 2 C.F.R. § 180 and Executive Orders 12549 and 12689. Vendors confirm they are neither debarred nor excluded by any federal agency.

G. Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352)

Vendors must submit requisite certifications and refrain from utilizing federal funds to influence government officials in relation to contracts, grants, or awards. All lobbying with non-federal funds must be disclosed and communicated across all tiers. Vendors agree to adhere strictly to the Byrd Anti-Lobbying Amendment.

H. Record Retention Requirements

Vendors shall retain records in accordance with 2 C.F.R. § 200.334 for three years beyond final report submission and until all matters have been resolved.

I. Energy Policy and Conservation Act Compliance

Where relevant, Vendors must comply with mandatory energy efficiency standards detailed in the state energy conservation plan under the Energy Policy and Conservation Act.

J. Buy American Provisions Compliance

When applicable, Vendors must comply with the Buy American Act and ensure purchases adhere to procurement rules that require free and open competition.

K. Access to Records (2 C.F.R. § 200.337)

Vendors grant authorized representatives of federal agencies access to pertinent books, documents, papers, and records for audits, examinations, excerpts, and transcriptions, as well as personnel interviews relating to such records.

L. Procurement of Recovered Materials (2 C.F.R. § 200.322)

Non-federal entities that are state agencies or political subdivisions and their contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. This includes procuring items designated in EPA guidelines (40 C.F.R. § 247) containing the highest practical percentage of recovered materials, maximizing energy and resource recovery for solid waste management, and establishing affirmative procurement programs for recovered materials as specified by EPA.

Entities utilizing United States federal grant or FEMA funds for procurement may be subject to further requirements, including those under 2 C.F.R. § 200, with all references to "federal" denoting the United States federal government.

Entities using U.S. federal grant or FEMA funds for procurement may be subject to additional requirements under 2 C.F.R. § 200. All references to “federal” are specific to the United States federal government.

For purchase of TASER 7 or TASER 10 as a standalone, Axon may increase pricing to its then-current list pricing for any Renewal Term. New devices and services may require additional terms. If Customer purchases Axon Loki, Customer acknowledges the Loki device is designed for operation in enclosed, controlled environments and must be used in compliance with all applicable laws and safety guidelines. Operation in open or unapproved areas may result in signal interference, loss of control, or damage, and Axon assumes no liability for improper use, including any resulting harm or regulatory violations.

- 7.3. **Claims.** If Axon receives a valid warranty claim for an Axon-manufactured Device during the warranty term, Axon's sole responsibility is to repair or replace the Axon-manufactured Device with the same or like Axon-manufactured Device, at Axon's option. A replacement Axon-manufactured Device will be new or like new. Axon will warrant the replacement Axon-manufactured Device for the longer of (a) the remaining warranty of the original Axon-manufactured Device or (b) ninety (90) days from the date of repair or replacement.
- 7.3.1. If Customer exchanges an Axon Device or part, the replacement item becomes Customer's property, and the replaced item becomes Axon's property. Before delivering an Axon-manufactured Device for service, Customer must upload Axon-manufactured Device data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the Axon-manufactured Device sent to Axon for service.
- 7.4. **Spare Axon Devices.** At Axon's reasonable discretion, Axon may provide Customer a predetermined number of spare Axon Devices as detailed in the Quote ("**Spare Axon Devices**"). Spare Axon Devices are intended to replace broken or non-functioning units while Customer submits the broken or non-functioning units, through Axon's warranty return process. Axon will repair or replace the unit with a replacement Axon Device. Title and risk of loss for all Spare Axon Devices shall pass to Customer in accordance with shipping terms of this Agreement. Axon assumes no liability or obligation in the event Customer does not utilize Spare Axon Devices for the intended purpose.
- 7.5. **Limitations.** Axon's warranty excludes damage related to: (a) failure to follow Axon Device use instructions; (b) Axon Devices used with equipment not manufactured or recommended by Axon; (c) abuse, misuse, or intentional damage to Axon Device; (d) force majeure; (e) Axon Devices repaired or modified by persons other than Axon without Axon's written permission; or (f) Axon Devices with a defaced or removed serial number. Axon's warranty will be void if Customer resells Axon Devices.
- 7.5.1. **To the extent permitted by law, the above warranties and remedies are exclusive. Axon disclaims all other warranties, remedies, and conditions, whether oral, written, statutory, or implied. If statutory or implied warranties cannot be lawfully disclaimed, then such warranties are limited to the duration of the warranty described above and by the provisions in this Agreement. Customer confirms and agrees that, in deciding whether to sign this Agreement, Customer has not relied on any statement or representation by Axon or anyone acting on behalf of Axon related to the subject matter of this Agreement that is not in this Agreement.**
- 7.5.2. **Axon's cumulative liability to any party for any loss or damage resulting from any claim, demand, or action arising out of or relating to this Agreement will not exceed the purchase price paid to Axon for the Axon Device, or if for Services, the amount paid for such Services over the twelve (12) months preceding the claim. Neither Party will be liable for special, indirect, incidental, punitive or consequential damages, however caused, whether for breach of warranty or contract, negligence, strict liability, tort or any other legal theory.**

During the Trial Period, Axon grants Customer a nonexclusive, terminable, non-transferable, license to use new Axon Devices and Services provided for trial to the Customer ("**Trial Products**"). Trial Products may include Axon beta software or firmware which additional terms may be required and included within the Trial Quote. Axon may limit the number of Trial Products Customer receives within the Trial Quote. Axon may supply refurbished Trial Products. ALL FREE TRIAL PRODUCTS INCLUDING, WITHOUT LIMITATION, AXON CLOUD SERVICES, ARE PROVIDED "AS IS" AND TO THE EXTENT NOT PROHIBITED BY LAW, AXON DISCLAIMS ALL LIABILITY REGARDLESS OF THE CLAIM.
- 8.2. **Trial Quote Termination.** Upon at least 10 business days' prior written notice to Axon at any time prior to the end of the Trial Period, Customer may as its sole option, terminate the free Trial Period and underlying Trial Quote associated with the Trial Products for convenience. Axon will not provide a refund, credit, or additional discount beyond what is in the Quote due to delay of availability or Customer's choice not to utilize any portion of a combined offering.
13. **Insurance.** Axon will maintain General Liability, Workers' Compensation, and Automobile Liability insurance. Upon request, Axon will supply certificates of insurance.
14. **IP Rights.** Axon owns and reserves all right, title, and interest in Axon-manufactured Devices and Services and suggestions to Axon, including all related intellectual property rights. Customer will not cause any Axon proprietary rights to be violated.
15. **IP Indemnification.** Axon will indemnify Customer against all claims, losses, and reasonable expenses from any third-party claim alleging that the use of Axon-manufactured Devices, Axon Cloud Services or Axon software ("**Axon Products**") infringes or misappropriates the third-party's intellectual property rights. Customer must promptly provide Axon with written notice of such claim, tender to Axon the defense or settlement of such claim at Axon's expense and cooperate fully with Axon in the defense or settlement of such claim. Master Services and Purchasing Agreement

than as permitted in this Agreement; or (d) use of Axon Products that is not the most current software release provided by Axon.

17. **Termination.**
- 17.1. **For Breach.** A Party may terminate this Agreement for cause if it provides thirty (30) days written notice of the breach to the other Party, and the breach remains uncured thirty (30) days after written notice. If Customer terminates this Agreement due to Axon's uncured breach, Axon will refund prepaid amounts on a prorated basis based on the effective date of termination.
- 17.2. **By Customer.** If sufficient funds are not appropriated or otherwise legally available to pay the fees, Customer may terminate this Agreement. Customer will deliver notice of termination under this section as soon as reasonably practicable.
- 17.3. **Effect of Termination.** Upon termination of this Agreement, Customer rights immediately terminate. Customer remains responsible for all fees incurred before the effective date of termination. If Customer purchases Axon Devices for less than the manufacturer's suggested retail price ("**MSRP**") and this Agreement terminates before the end of the Term, Axon will invoice Customer the difference between the MSRP for Axon Devices procured, including any Spare Axon Devices, and amounts paid towards those Axon Devices. Only if terminating for non-appropriation, Customer may avoid the MSRP fee by returning Axon Devices to Axon within thirty (30) days of termination. MSRP is the standalone price of the individual Axon Device at the time of sale. For multiple Axon Devices that may be combined as a single offering on a Quote, MSRP is the standalone price of all individual components.
18. **Confidentiality.** "**Confidential Information**" means nonpublic information designated as confidential or, given the nature of the information or circumstances surrounding disclosure, should reasonably be understood to be confidential. Each Party will take reasonable measures to avoid disclosure, dissemination, or unauthorized use of the other Party's Confidential Information. Unless required by law, neither Party will disclose the other Party's Confidential Information during the Term and for five (5) years thereafter. To the extent permissible by law, Axon pricing is Confidential Information and competition sensitive. If Customer receives a public records request to disclose Axon Confidential Information, to the extent allowed by law, Customer will provide notice to Axon before disclosure. Axon may publicly announce information related to this Agreement.
19. **General.**
- 19.1. **Force Majeure.** Neither Party will be liable for any delay or failure to perform due to a cause beyond a Party's reasonable control.
- 19.2. **Independent Contractors.** The Parties are independent contractors. Neither Party has the authority to bind the other. This Agreement does not create a partnership, franchise, joint venture, Customer, fiduciary, or employment relationship between the Parties.
- 19.3. **Third-Party Beneficiaries.** There are no third-party beneficiaries under this Agreement.
- 19.4. **Non-Discrimination.** Neither Party nor its employees will discriminate against any person based on race; religion; creed; color; sex; gender identity and expression; pregnancy; childbirth; breastfeeding; medical conditions related to pregnancy, childbirth, or breastfeeding; sexual orientation; marital status; age; national origin; ancestry; genetic information; disability; veteran status; or any class protected by local, state, or federal law.
- 19.5. **Compliance with Laws.** Each Party will comply with all applicable federal, state, and local laws, including without limitation, import and export control laws and regulations as well as firearm regulations and the Gun Control Act of 1968. Customer acknowledges that Axon Devices and Services are subject to U.S. and international export control laws, including the U.S. Export Administration Regulations (EAR) and International Traffic in Arms Regulations (ITAR). Customer represents and warrants that neither it nor any End User is a "Restricted Person," meaning any individual or entity that (1) is subject to U.S. sanctions or trade restrictions, (2) appears on any U.S. government restricted party list, (3) engages in prohibited weapons proliferation activities, or (4) is owned or controlled by, or acting on behalf of, such persons or entities. This Agreement is binding upon the Parties respective successors and assigns.
- 19.7. **Waiver.** No waiver or delay by either Party in exercising any right under this Agreement constitutes a waiver of that right.
