All-around solutions built for success.

Sherwin-Williams offers a full line of Pro Industrial™ and high-performance products for the unique needs of educational facilities.

SherStripe® Field Marking Paints

For crisp, clean lines on natural and artificial fields, Sherwin-Williams SherStripe® Field Marking Paints can't be beat for delivering stand-out performance.

Dry Erase Clear Coating

Allows you to turn any wall into a dry erase board without sacrificing the wall's original color. Dries to a smooth, clear gloss surface that is non-yellowing, with no ghosting or shadowing.

Anti-Graffiti Coating

Protects surfaces and increases longevity for easy graffiti removal. Our industry-leading products provide cost-effective performance, durability, reliability and compliance.

Pavement Marking Coatings

Our complete selections of pavement marking solutions for parking lots and garages include waterborne and solvent-based coatings.

UNIFLEX® Roof Coatings

Designed to protect roof systems and help extend the building's life. With up to 90% reflectivity, surface temperatures are reduced, resulting in decreased cooling costs and energy savings.

Scuff Tuff™ Interior Waterbased Enamel

Save on maintenance costs without compromising on appearance. With excellent scuff, mar and scratch resistance, Scuff Tuff™ stands up to the wear and tear of busy spaces.

From breakthrough painting technology to sustainable product innovations, our team of coatings scientists is constantly working to bring you the latest industry-leading solutions.
