

### Company Information

DIRTT is building process powered by technology. We use our proprietary ICE software to help design, manufacture, and install fully-customized interior environments. This same software provides clients with certainty around cost, schedule and final outcomes. With modular components and a streamlines construction process, complete interior spaces are constructed faster, cleaner, and more sustainably.

### NPPGov

NPPGov is a national cooperative procurement organization based in Seattle, WA offering publicly solicited contracts to government entities nationwide. Our contracts are created through a public solicitation by a Lead Public Agency. Access to our cooperative contracts is free and there are no purchasing obligations.

#### Benefits of cooperative contracts:

- Competitively bid, no additional RFP necessary
- Saves time and money in your procurement process
- Live contract support
