CUSTOMIZE

NEED IT FAST

Everyone knows that Staples brings a world of productivity and value to the workplace. But now we're doing the unthinkable by bringing Workplace to the world.

Introducing Workplace Series seating, a Staples original family of chairs that will give everyone the style, comfort and selection they've always wanted —but could never find. We designed it, built it and are ready to ship it to everyone from big business to home offices. All while being supported by a lifetime warranty.

## EVERYTHING YOU NEED

---

### Task Chair

---

The chair you will spend most of your time in and the chair that you get things done in.

[LEARN MORE >](#)

### Task Stool

---

Sit when you want to, and stand when you don't.

[LEARN MORE >](#)

### Guest Chair

---

The versatility ranges from front to back and everywhere in between.

[LEARN MORE >](#)

## TASK CHAIR - Features

[← BACK](#)

Select a feature to learn more.

Use the back button to select a different chair type.

### Control Mechanisms

#### Synchro-Tilt

A control mechanism that allows the user to recline the back while keeping the seat parallel to the floor, which encourages proper back alignment and increases circulation.

#### Synchro-Tilt with Seat Slide

The synchro-tilt control with an added adjustment that allows the user to move the entire seat cushion forward or backward.

#### Advanced Synchro-Tilt

This control rises the seat slightly as the user reclines, while keeping the feet firmly on the floor.

#### Synchro-tilt with independent back angle

This recline control moves the back while keeping the seat parallel to the floor, encouraging proper spinal alignment.

## TASK CHAIR - Features

[← BACK](#)

Select a feature to learn more.

Use the back button to select a different chair type.

### Base Finishes

*Base finish based on selected frame finish*

#### Standard Black Base

The black base is designed to match virtually any color or pattern, and pairs with the black frame.

#### Standard Titanium Base

The grey/silver colored base creates a contemporary look, and matches the titanium frame.

#### Polished Aluminum Base

This shiny metal frame offers a more upscale look, and can be paired with either black or titanium frames.

## TASK CHAIR - Features

[← BACK](#)

Select a feature to learn more.  
Use the back button to select a different chair type.

### Seat Fabrics

#### Hundreds of Seat Fabrics Available

Get the exact look you want or match existing décor or brand by selecting from a vast collection of materials, colors and patterns.

## TASK CHAIR - Features

[← BACK](#)

Select a feature to learn more.  
Use the back button to select a different chair type.

### Arm Options

*Arm finish based on selected base finish*

#### Armless

These chairs feature no arms.

#### Fixed Arms

The arms are integrated into the frame and are not adjustable. Available in black, titanium, and polished aluminum based on frame color.

#### Height & Width Adjustable Arms

These arms can be moved up and down as well as in and out to fit the user's preferences. Available in black and titanium.

#### All Adjustable Arms

In addition to adjustments for height and width, these arms also pivot to create total customization. Available in black and titanium.

## TASK CHAIR - Features

[← BACK](#)

Select a feature to learn more.  
Use the back button to select a different chair type.

### Lumbar Support

#### No Lumbar

These chairs offer no additional targeted lumbar support.

#### Adjustable Lumbar

Move this lower back support wherever a little extra pressure and support is needed to achieve the proper posture.

## TASK CHAIR - Features

[◀ BACK](#)

Select a feature to learn more.

Use the back button to select a different chair type.

### Mesh Color

*Mesh color based on frame color*

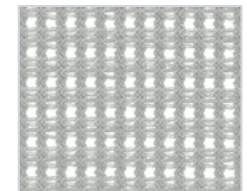

#### Black Mesh

The black breathable back material stretches to offer instant support and comfort to any user, while keeping them cool. Pairs with the black frame.

#### Fog Mesh

This neutral colored breathable back material stretches to offer instant support and comfort to any user, while keeping them cool. Pairs with the titanium frame.

## TASK CHAIR - Features
