

**Facility Solutions**  
**ABOVE AND BEYOND CLEAN**

## FOCUSED ON **efficiency**

You do your job so everyone else can do theirs. That means having the right facility supplies delivered fast, a dedicated account team that keeps you on budget and professionals that know your industry inside and out.

We've got your back so you never lose sight of the tasks ahead of you. Let's create a program that'll help optimize your entire operation.

---

# 18%

Companies see an average cost savings of 12–18% by practicing preventive maintenance over reactive maintenance.\*
