

**Technology Solutions**  
**KEEPING YOUR TEAM CONNECTED**

# Going beyond

## WHAT YOU THINK

You may know us for ink and paper, but we go way beyond basic supplies. From Managed Print Services to holistic IT infrastructure programs, we offer start-to-finish technology solutions made to save you time and money.

We're your committed IT partner, knowledgeable in your business's unique needs and challenges. It's all about helping your team get more done each day.

### COMPLETE CUSTOMIZATION

We take the time to get to know your business so your tech solutions are tailored to your needs.

### TOTAL SECURITY SOLUTIONS

Your top priority is protecting your technology. Our top-of-the-line security products and services are here to give you peace of mind.

### INDUSTRY EXPERTISE

You're never alone in your daily tech needs. Our sales team and tech experts are with you every step of the way.

### FAST AND FREE DELIVERY

Work doesn't wait. We're here to make sure you have what you need when and where you need it.

# Navigating

## EVERY IT CHALLENGE

You've got an overwhelming number of devices to manage, and not a lot of time to do it. Staples can help on both fronts. We'll help you manage, support and optimize your fleet of printers and computers. That means you're free to allocate time and resources to more important tasks.

### **MANAGED PRINT SOLUTIONS**

With our customized MPS program, you'll get access to printing experts, document workflow solutions, the latest security upgrades and auto replenished printing supplies.

### **TECH AND IT SERVICES**

We'll help support your IT environment through device management, user tech support and cloud solutions.

### **CONTRACT COMPUTING**

We'll create a customized computing program that's personalized to your business. You'll have access to everything from solutions that help you manage your technology life cycle through imaging, asset tagging and phase deployment.

# TECH YOUR TEAM can rely on

As your business evolves, so do your technology needs. From the latest laptops and mobile solutions to ergonomic essentials, you'll find everything you need to keep your team connected and productive.

## COMPLETE LIFE CYCLE MANAGEMENT

From setup and installation to deployment of new hardware, we're here every step of the way. We even offer recycling and disposal of your old technology.

## PRINTERS AND COMPUTERS

All the latest laser and inkjet printers, laptops, desktops, monitors and more.

## EVERYDAY TECHNOLOGY PRODUCTS

Everything your team needs to succeed, from tech accessories and security to mobile solutions, ergonomic essentials and more.

## INDUSTRY-LEADING BRANDS

Access to all the names you trust.

**MORE THAN A PROGRAM**

# a partnership

When it comes to technology, we understand that one size doesn't fit all. That's why we take the time to get to know your business, inside and out. We'll come to the table ready to deliver a customized solution designed to tackle your day-to-day challenges and hit all of your technology goals.

## **PINPOINT DELIVERY**

Get everything delivered to the exact room you need it. No more drop-and-run shipments to the loading dock.

## **LOCAL SUPPORT**

No matter where your business is, our team of local professionals is there to help with any IT need.

## **ORDER AS YOU GO**

Our always-on-the-go inventory approach gives you the ability to order just what you need, keeping inventory costs low and efficiency high.

## **24/7 EMERGENCY SUPPLY SERVICES**

Get business-critical supplies delivered fast with our emergency services program. We're here to keep everything running, even in an emergency.

## **DEDICATED EXPERTS**

Access the support you need, when and where you need it with our large national network of technology professionals.

## **TIME-SAVING RESOURCES**

With a dedicated IT partner helping your team handle every detail, you'll free up their time to focus on more important aspects of their jobs.

# We're here

## EVERY STEP OF THE WAY

At Staples, we'll help you customize a technology program that fits your team. From computing and printing to user and endpoint management, our dedicated professionals are here to ensure your team's IT success. This way, you can spend more time running your IT department and less time running around.
