

 **Staples**TM

Pack & Ship Solutions
ALWAYS ON SCHEDULE

YOUR PACK & SHIP **partner**

A shipping supplier that's competitive on price?
That's only part of the total package.

You also need an expert who knows what keeps your business running and how to customize a program just for you. That's exactly what Staples delivers. We're your partner, and we're here to help you ship better.

WITH STAPLES, YOU'LL GET:

- The right products, competitively priced
- Pack & ship specialists who can answer every question
- A program designed to improve productivity and profitability
- Convenient online tools and dedicated support
- On-time delivery wherever you need it

66%

For years, Genplex, a tube manufacturer based in Maine, sought to reduce shipping costs without sacrificing quality. After talking with a Staples® expert, Genplex was able to reduce its packaging tape costs by 66% with a single product switch.

RUNNING LIKE clockwork

Count on Staples for all the pack & ship supplies you need to keep your orders flowing and customers happy. Plus our specialists are here to help with everything from product recommendations to program support.

DID YOU KNOW?

During site assessments, Staples® Pack & Ship Specialists use a proprietary app to take pictures of your shipping warehouse to find hidden cost-savings opportunities.

Efficiency

PACKED INTO EVERY SHIPMENT

At Staples, we understand that how you ship is every bit as important as what you ship. That's why we can design a customized pack & ship program that saves you time, money and manpower.

COMPETITIVE PRICES

Cut costs without cutting corners. You'll get great prices without sacrificing quality.

CONSOLIDATION

Save time and money by consolidating all of your pack & ship orders with us.

WIDE ASSORTMENT

Your Staples® site will be customized with your approved stock and warehouse supply products, so you can get what you need and ensure compliance.

EXPERTISE

With 40+ years of industry experience, we'll assess your needs and provide solutions.

MOBILE APP/ONLINE ORDERING

Walking the warehouse? Place your orders with our easy-to-use Staples® mobile app.

ON-TIME DELIVERY

No matter where your buildings are located, we'll ship thousands of products directly to you.

We're here to help.
