

Company Information

Arctic Compressor produces high-pressure compressors for multiple applications in recreational, fire, safety, industrial and paintball markets. Our company also designs, builds and sells containment fill stations, control panels, cascade systems, and carbon monoxide monitors. We are also proud to offer quality hose reels and high pressure storage cylinders to simplify and complete your compressed air system.

NPPGov

NPPGov is a national cooperative procurement organization based in Seattle, WA offering publicly solicited contracts to government entities nationwide. Our contracts are created through a public solicitation by a Lead Public Agency. Access to our cooperative contracts is free and there are no purchasing obligations.

Benefits of cooperative contracts:

- Competitively bid, no additional RFP necessary
- Saves time and money in your procurement process
- Live contract support
