To Whom It May Concern:

It is with great pleasure that I recommend Tyron Clear View Group, LLC to your municipality.

Tyron Clear View Group, LLC has been a valuable integrate partner in assisting the Township of Irvington with auditing our landline and wireless telephone bills. The Township was able to save several thousand dollars as a number of telephone lines and circuits were no longer being used but were never terminated with the telephone company. Tyron Clear View Group, LLC also provided us with a complete analysis report which helped us find new service plans which met our current service needs and save the Township and our residents several thousand dollars.

The entire staff at Tyron Clear View Group, LLC has provided the Township with excellent customer service. The Staff is not only thorough but also easy to work with and always willing to take the time to discuss concerns and respond to questions. I would high recommend the company to your municipality.

If you have additional questions or concerns, please contact me at 973-399-6717.
