NOTICE OF SOLICITATION

LEAGUE OF OREGON CITIES

RFP NUMBER 2310

SOLICITATION FOR: ATHLETIC SURFACES & SPORTS EQUIPMENT

Notice is hereby given that the LEAGUE OF OREGON CITIES (LOC) will accept proposals for ATHLETIC SURFACES and SPORTS EQUIPMENT at the electronic address listed below, until the end of day on May 29, 2023. Those proposals will be for the LEAGUE OF OREGON CITIES and members of National Purchasing Partners Government Division (“NPPGov”) across the nation, including but not limited to governmental units incorporated by “ATTACHMENT H” of the Request for Proposal (RFP), WIPHE members identified in “ATTACHMENT G” of the RFP, as well as government units in all other states (collectively, “Participating Agencies”). Significant sales potential exists because the resulting Master Price Agreement for national proposers will include piggy backing language that permits use of the Master Price Agreement nationwide which may allow Participating Agencies to forego duplicating the formal solicitation process and expend staff resources and funds.

All Proposals must be signed and uploaded to the designated website. Only those proposals received at the designated website by the due date and time will be considered.

SOLICITATIONS FOR: **ATHLETIC SURFACES & SPORTS EQUIPMENT**

1.0 INTENT:

1.1 GENERAL INTENT

The LEAGUE OF OREGON CITIES (“LOC”) serves as the “Lead Contracting Agency” for this solicitation on behalf of its members, and as authorized by the LOC Intergovernmental Agreement, which is an agreement for intergovernmental cooperation among select local Oregon governments and recognized under ORS Chapter 190. LOC, in association with the members of National Purchasing Partners, LLC dba NPPGov (hereinafter referred to as “NPPGov”), comprises a cooperative procurement group. NPPGov membership includes government and non-profit entities across the United States and Canada, K-12 and Higher education, Tribal government, and other public entities which includes members of Public Safety GPO, First Responders GPO, and Law Enforcement GPO. As required by certain states and provinces, LOC and NPPGov have prepared an Attachment referencing eligible Members that also can be found on the LOC and NPPGov web sites. This procurement group is soliciting proposals from qualified companies (hereinafter referred to as “Proposer”) to enter into a Master Price Agreement for ATHLETIC SURFACES and SPORTS EQUIPMENT.

The intent of this Interstate Cooperative Procurement Solicitation (hereinafter referred to as “Solicitation” or “RFP”) is to invite Proposers to submit a competitive pricing proposal offering ATHLETIC SURFACES and SPORTS EQUIPMENT to LOC, which will then be made available to NPPGov members locally and nationwide; to reduce expenses by eliminating multiple requests for proposals and multiple responses by Vendors; and to obtain discounted pricing through volume purchasing. Significant sales potential exists because the Master Price Agreement will be used nationwide which may allow Participating Agencies to forego duplicating the formal solicitation process and expend staff resources. Preferably, the successful Proposer will provide its entire catalog of products and/or services in order that Participating Agencies who wish to access the Master Price Agreement may order a broad range of goods and services as needed.

With the exception of successful local Proposer(s) capable of servicing LOC and Participating Agencies within the state of Oregon, successful Proposer(s) should have a strong national presence for ATHLETIC SURFACES & SPORTS EQUIPMENT for use by government agencies nationwide.

This Solicitation meets Oregon public contracting requirements (ORS 279A et. seq.) and may not be appropriate under or meet Participating Agencies’ procurement laws. Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local and state solicitation requirements.

1.2 POTENTIAL MARKET

The LOC is publishing this RFP to create publicly awarded contracts for use by its members, which may also benefit the thousands of fellow members of NPPGov, Public Safety GPO, First Responders GPO, and Law Enforcement GPO. These are nationwide programs representing member government agencies in all 50 states. We encourage each Proposer’s response to be a collaborative effort including manufacturer and

distributor (when they are not the same company) to ensure nationwide contract utilization.

Proposer's response should also take into consideration the considerable market potential for this Solicitation. Because the successful proposal will be incorporated into a nationwide cooperative procurement program including tens of thousands of state, local government and non-profit participants from all 50 states, the LOC believes that contracts created from this Solicitation will provide vendors with a significant market advantage. Members of NPPGov, Public Safety GPO, First Responders GPO, and Law Enforcement GPO and current vendors who participate in the program indicate the ability to shorten the sale cycle by eliminating the need to complete individual RFP processes is a significant advantage to participation.

The LOC believes that participation in the NPPGov purchasing program benefits both its Participating Agencies and successful Proposers. NPPGov engages with successful proposers who complete the Vendor Administration Agreement through a marketing and sales partnership. This partnership includes (but is not limited to) contract promotion to members, contract administration support to potential customers and live customer phone support.

1.3 REQUIREMENTS

- 1.3.1 The RFP and resulting Master Price Agreement are anticipated for use by the LOC's government members, as well as other Participating Agencies across the nation. The LOC has entered into an Intergovernmental (interlocal) Cooperative Purchasing Agreement with other Participating Agencies for the purpose of obtaining Master Price Agreements with various vendors. Interlocal cooperative purchasing agreements allow Participating Agencies to make purchases at the LOC's accepted proposal price, terms and conditions, provided that the Participating Agency has satisfied all of its local and state cooperative procurement requirements. Proposer(s) agrees to make the same proposal terms and price, exclusive of any possible rebates, incentives, freight and transportation fees, available to other Participating Agencies. The LOC and NPPGov will not incur any direct liability with respect to specifications, delivery, payment, or any other aspect of purchases by such Participating Agencies or nonprofit institutions. The Intergovernmental Cooperative Purchasing Agreement is incorporated by reference herein and is available upon request — See Attachment A.

The successful Proposer must work directly with the Participating Agencies concerning the placement of orders, disputes, invoicing and payment. The LOC and NPPGov shall not be held liable for any costs or damages incurred by or as a result of the actions of the Vendor or any Participating Agency. Successful Proposers must comply with the state and local laws, rules and regulations in each state and locality where the product or service is provided.

- 1.3.2 Each Participating Agency shall execute a Participating Agency Endorsement and Authorization included in the Intergovernmental Cooperative Purchasing Agreement. While the terms of the Master Price Agreement shall govern the general pricing terms, each Participating Agency may request modification of the Master Price Agreement in accordance with each Participating Agency's state and/or local purchasing laws, rules, regulations and procedures, provided said modifications are not material changes. Each Participating Agency may, at its discretion, and upon written agreement by the Participating Agency and Successful Proposer, request additional legal and procedural provisions not included herein that the successful Proposer must adhere to if it wishes to conduct business with said Participating Agency using the Master Price Agreement.
- 1.3.3 NPPGov, Public Safety GPO, First Responders GPO, and Law Enforcement GPO provide vendor exposure/marketing and contract utilization support for the successful Proposer's products and services. Successful Proposers servicing the awarded contract to Participating Agencies shall pay a Contract Administration Fee representing 2% percent of actual net sales under the Master Price Agreement as established in the NPPGov Vendor Administration Agreement (available upon request). Administration fee may not be listed or charged as a separate line item to users of the contract. The value of trade-ins or rebates shall not affect the amount of the administration fee paid to NPPGov.

1.4 MULTIPLE AWARDS

Multiple awards may be granted to meet the requirements of this Solicitation provided that such awards are differentiated by product make and model, service, and/or distribution regions and capabilities of the successful Proposers. Specifically, the LOC may award separate contracts to Proposers in order to cover all local and national geographical markets, electronic purchasing capabilities, and products and services identified in this Request for Proposal, as well as the diverse and large number of Participating Agencies. The award of multiple contracts is to be determined upon receipt and review of all proposals and based upon the general criteria provided herein. The LOC may solicit proposals from local qualified companies with or without a national presence provided that the successful Proposer is able to provide the LOC with the products and services requested. Multiple awards will ensure fulfillment of current and future requirements of the diverse and large number of Participating Agencies. In the event a local Proposer with no national distribution capabilities best meets the proposal selection criteria, multiple local and nationwide responsive proposals may be awarded simultaneously in the best interests of local commerce, compliance with local laws, and the Participating Agencies nationwide.

Proposers should be able to serve the needs of Participating Agencies on a national basis. However, this requirement shall not exclude local Proposers without a national presence that are capable of meeting the requirements of the LOC within the state of Oregon.

1.5 CONTRACT USAGE

The actual utilization of any Master Price Agreement will be at the sole discretion of LOC and the other Participating Agencies. It is the intent of this Request for Proposal and resulting Master Price Agreement that Participating Agencies may buy directly from Successful Proposers without the need for further solicitation. However, Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local and state solicitation requirements as well as the need of further notice prior to utilizing the Master Price Agreement

1.6 BACKGROUND OF NPPGov

NPPGov, owned by two non-profit healthcare organizations, provides group purchasing opportunities and purchasing administrative support for governmental entities and nonprofit institutions within its membership. NPPGov's membership includes participating public and nonprofit entities across North America.

1.7 EQUAL OPPORTUNITY

The LOC encourages Minority and Women-owned Small Business Proposers to submit proposals.

1.8 QUALIFIED REHABILITATION FACILITIES

Oregon Public Agencies are prohibited from use of products and services offered under this contract that are already provided by qualified nonprofit agencies for disabled individuals as listed on the Department of Administrative Service's Procurement List pursuant to ORS 279.835 ORS 279.855.

2.1.1 PROPOSER COMMITMENTS

In addition, successful Proposer(s) with a national presence must commit to marketing of the Master Price Agreement nationwide and that the sales force will be trained, engaged and committed to offering NPPGov pricing to member government agencies nationwide, including the opportunity for NPPGov to train the Vendor sales staff.

2.1.2 **PROPOSERS MUST COMPLETE “ATTACHMENT B” – PROPOSER PROFILE WORKBOOK”.**

2.2 PRODUCTS AND SERVICES:

- 2.2.1 Provide a description of the ATHLETIC SURFACES & SPORTS EQUIPMENT offered as set forth in ATTACHMENT C. The primary objective is for the Proposer(s) to provide the Proposer(s)'s entire catalog of products and services (“catalog discount”) that are responsive to this RFP so that Participating Agencies may order a broad range of products and services as appropriate for their needs. Anticipated future models and related products/services that may be offered during the term of the resulting Master Price Agreement should also be included in Vendor's Proposal.
- 2.2.2 All products offered must be new, unused and the most current product lines, unless otherwise clearly identified as remanufactured goods.
- 2.2.3 Describe any special programs that Proposer offers that shall improve the ability of the Participating Agencies to access the products, such as retail store availability, expedited delivery intervals, item sourcing, or other unique plans and services.
- 2.2.4 Additional Benefits: Proposer shall identify any other added value it offers to the LEAGUE OF OREGON CITIES (“LOC”) and Participating Agencies (e.g. convenience cards, individual/member discounts, additional admin fee, etc.)

2.3 PRICING:

- 2.3.1 Pricing for the products and services may be based on “ATTACHMENT D” - PRICING SCHEDULE as follows:

A A fixed percentage (%) off *marked price* based on the Proposer's catalog or retail store price for each CATEGORY specified in ATTACHMENT D – PRICING SCHEDULE. Proposer shall identify the catalog used.

Option (A) is preferred. If option (A) is not feasible proposer may use option (B) provided Proposer includes a justification.

B Alternatively, contract pricing may be based upon fixed prices (contingencies for economic price adjustments must be identified in the proposal), or a combination fixed percentage off and firm fixed prices. Proposer may offer additional discounts to LOC and Participating Agencies based on volume.

If proposers are responding with option “B”, proposers may request price increases based on manufacturer costs, cost of labor and/or materials that must be supported by appropriate documentation. If LOC agrees to the price modification, LOC may approve in writing, including electronic mail, without the need for a written amendment to the Master Price Agreement.

2.3.2 Proposers may also add additional products and services provided that any additions reasonably fall within the intent of the original RFP specifications. Pricing on additions shall be equivalent to the percentage discount for other similar products. Proposer may provide a web-link with current product listings, which may be updated periodically, as allowed by the terms of the resulting Master Price Agreement. Proposer may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products may be added to avoid competitive procurement requirements. LOC may reject any additions without cause.

2.3.3 Explain any additional pricing incentives that may be available such as large volume purchases, cash terms, or rebates to Participating Agencies. However, steeper discounts are preferred to rebates.

2.3.4 All pricing proposals shall clearly explain how freight and/or delivery costs are determined as described in ATTACHMENT D PRICING SCHEDULE herein.

SPECIFICATIONS

ATHLETIC SURFACES & SPORTS EQUIPMENT

These specifications are intended to cover the complete range of ATHLETIC SURFACES and SPORTS EQUIPMENT. Several categories are included below but are in no means intended to limit the Proposer to responding to just these categories if there are other related products and services that Proposer would like to be considered for the award. Proposers should respond with pricing for all products and services they wish to be considered in the evaluation for a possible award and master price agreement.

The following categories are provided to indicate the intended extent of the RFP but do not necessarily represent the format of the Proposer's response. Proposers may combine any and all categories and elements in a format that is most appropriate to represent their business in their response.

NOTE: Proposers are not required to respond to all categories. Proposals will only be evaluated based on the categories to which they respond.

CATEGORY 1: ATHLETIC SURFACES

Including but not limited to athletic surfaces for indoor and outdoor sports, gymnasium flooring, basketball courts, running tracks, sod, turf, artificial and natural field covering, wrestling mats, and other athletic surfaces.

PRICING SCHEDULE

The intent is for each Proposer to submit their complete product line so that Participating Agencies may order a wide array of products and services as appropriate for their needs. Proposer is encouraged but is not required to respond to all categories. Proposer may suggest additional categories and sub-categories as applicable. Proposer may subcontract items Proposer does not supply.

The Proposer should not necessarily limit the proposal to the performance of the services in accordance with this document but should outline any additional services and their costs if the Proposer deems them necessary to accomplish the program.

Pricing and resulting relative discount to LOC and NPPGov membership shall be clearly delineated on each proposal. Contract admin fee (established in the “Requirements” Section of the RFP) may not be listed or charged as a separate line item to users of the contract. Contract pricing shall be based upon:

- 1) Fixed discount(s) off published price list(s) or catalog(s)
- 2) Firm fixed price with economic adjustment (contingencies for economic price adjustments must be identified in the proposal)
- 3) A combination of the above.

Options

Proposers shall provide pricing on all options, modifications, and accessories in a format that best represents their product line and pricing structure. This may include specific pricing for some options and may also include general pricing/discounts for categories of options. Proposer may also indicate availability and pricing of all other non-specified options. The intent is to provide Proposers the opportunity to present as much product as possible in the format that fits within their individual formatting needs so that the resulting award allows LOC and NPPGov members the greatest number of procurement options.

PROPOSAL EVALUATION FORM

Proposals will be evaluated using a two-step process.

The first step evaluates the responsiveness of the proposer and determines 1) if the proposer is deemed fully responsive enabling the proposal to move to the second step and 2) if the proposal will be evaluated as a local response (within the State of Oregon), regional response (covering multiple States, but not the entire US) or a national response (covering the entire US, or at least the continental US).
