

Company Information

SWTCH provides innovative solutions for electric vehicle (EV) charging and energy management, designed uniquely for multi-tenant settings. Our smart EV charging platform streamlines the charging experience for drivers while optimizing usage and revenue for building owners. Importantly, all our technology is based on open communication standards to ensure scalable, future-proof solutions.

NPPGov

NPPGov is a national cooperative procurement organization based in Seattle, WA offering publicly solicited contracts to government entities nationwide. Our contracts are created through a public solicitation by a Lead Public Agency. Access to our cooperative contracts is free and there are no purchasing obligations.

Benefits of cooperative contracts:

- Competitively bid, no additional RFP necessary
- Saves time and money in your procurement process
- Live contract support
