

ALL YOUR CHECKS. BUILT FOR YOU.

THE **INDUSTRY LEADING SYSTEM** FOR OPERATIONS MANAGEMENT
AND THE **ONLY FULL-SERVICE SOLUTION** FOR FIRST RESPONDERS

PS
TRAX 

BUILT FOR YOU. MANAGED WITH YOU.

We know each fire and rescue agency is as unique as the community it serves.

We take your apparatus, equipment and inventory checks and custom-configure a solution to your needs. After your platform is built, you have full control to add equipment and make all adjustments. Or, the PSTrax team can make those changes on your behalf at no additional charge. We're like a dedicated support team—always here to assist whenever you need it.

01 PROVEN

We build you a best-in-class operations and logistics platform with flexible modules that are custom-configured for your agency—so your crews can operate more efficiently.

"PSTrax allows us to do a fabulous follow-up on every single thing that we do. We are true fans - it's affordable, it's easy, and I appreciate this company's support of our Fire Department."

FIRE CHIEF FRED WINDISCH, PONDEROSA FIRE DEPARTMENT

"PStrax has exceeded our expectations in every way. We initially planned on using the platform for apparatus inventory and checks only. It has proven to be a lifesaver for our TCFP inspection in the areas of PPE and SCBA as well."

CHIEF TYLER SHIRLEY, HUFFMAN VOLUNTEER FIRE DEPARTMENT (TX)

EFFICIENCIES

We ensure first responders can perform their jobs in the safest and most efficient manner to better serve their communities. Here's how:

FRONT LINE CREWS

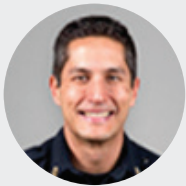

- » Highly Adopted by Crews
- » Streamline Work Effort
 - » Figure out what to check
 - » Do the check
 - » Document the check
- » Improve Communication & Morale
- » Eliminate Redundant Systems

MID LEVEL OFFICERS

- » Visibility into Agency Operations
- » Increase Accountability
- » Reduce Admin Time Locating Items
- » Streamline Communications
- » Simplify Training
- » Increase Apparatus & Equipment Use-Life

COMMAND STAFF

- » Improve Crew Safety
- » Complete Documentation for Compliance, Audits and Claims
- » Operate More Efficiently
- » Reduce Labor Budget
- » Accurate Budget Forecasting
- » Successful Culture Change

"The biggest benefit to me is the communication between shifts. If something got taken out of service or if equipment was moved around, everyone knows about it."

CAPTAIN PETER MCELVANEY, BOULDER RURAL FIRE PROTECTION DISTRICT
