Safety for Everyone - Anonymous Reporting for K-12

The Anonymous Alerts® Reporting System empowers students to anonymously report bullying, behavioral, mental health, or campus threats using our mobile or Web-based apps, 24/7. Our robust Incident Management® system is a complete threat assessment program designed for school campus officials to continually monitor and assess each anonymous report and quickly respond to concerning behavior or threats of violence.

Public Safety Reporting
• Suspicious/Criminal Activity
• Security Concerns
• Community Issues
• Gang Issues
• Social Media Threats
• Dangerous Individuals
• Regulation Infractions

Student Safety Reporting
• Bullying/Cyberbullying
• Hazing
• Gang Issues
• Drugs/Alcohol Use or Dealing
• Social Isolation
• Suicidal Thoughts/Mental Health
• Weapons on Campus/Threat
