

Company Information

LeoTech was founded by former law enforcement officers (LEOs) who recognized the need for a more efficient, effective way to monitor authorized correctional facility communications and quickly search for critical information. Manually listening to millions of calls was not humanly possible, so we developed the technology to solve these challenges.

NPPGov

NPPGov is a national cooperative procurement organization based in Seattle, WA offering publicly solicited contracts to government entities nationwide. Our contracts are created through a public solicitation by a Lead Public Agency. Access to our cooperative contracts is free and there are no purchasing obligations.

Benefits of cooperative contracts:

- Competitively bid, no additional RFP necessary
- Saves time and money in your procurement process
- Live contract support
