

METAL BUILDING

ClearSpan Metal Buildings have endless customizations to meet your every need

ClearSpan's Metal Buildings provide a structural solution that can improve any business. These structures ensure exceptional durability, while still remaining a cost-effective building choice. With custom and turnkey designs, ClearSpan Metal Buildings can be used across dozens of industries.

The ClearSpan Metal Building Advantage

Durable metal cladding - Constructed with grade 80 steel and available in multiple colors.

Versatile foundation options - Helical anchors, pony walls, wooden posts, concrete pads, shipping containers and more.

Protect from inclement weather - Can be engineered to meet any snow and wind load.

Industry-leading warranties - Up to 50-year frame warranties and various cladding warranties.

Custom designs - Customize your structure with all the necessary features and accessories, like HVAC equipment, windows, lighting and much more.

In-house services - Streamline your next building project with financing, engineering and installation.
