COE

OFFICE FURNITURE DISTRIBUTOR

100% Employee-Owned

OfficeSource® furniture solutions, in-stock availability, contract expertise, and nationwide fulfillment for public-sector organizations.

COMPANY OVERVIEW

COE Distributing is a 100% employee-owned manufacturer and distributor of OfficeSource® furniture. Through a nationwide network of authorized resellers, COE supports government, education, healthcare, and other public-sector organizations with a broad product portfolio, substantial in-stock inventory, responsive customer service, complimentary design assistance, dedicated contract support, and scalable fulfillment capabilities.

CORE CAPABILITIES

OfficeSource® Product Portfolio
Furniture solutions for workplace, education, government, healthcare, and institutional environments, including seating, desks, height-adjustable workstations, conference and training tables, reception and lounge, storage, panel systems, and related workplace solutions.

Authorized Reseller Support
Local reseller expertise and customer service backed by COE product knowledge, inventory, design resources, nationwide distribution, and dedicated contract support.

Contract Administration & Support
Dedicated resources support contract pricing, eligibility, documentation, reporting, reseller participation, compliance, and contract-specific requirements throughout the life of the contract.

Complimentary Design & Project Support
No-cost assistance with space planning, product selection, layouts, specifications, freight, lead times, logistics, and project development helps customers and authorized resellers plan furniture solutions from initial concept through fulfillment.

Inventory & Nationwide Distribution
Substantial in-stock inventory supported by three strategically located distribution centers in Pennsylvania, North Carolina, and Texas provides scalable fulfillment for everyday purchases, quick-turn needs, larger projects, and multi-location requirements.

Public-Sector Contract Expertise
Dedicated knowledge and resources supporting procurement through state, regional, cooperative, higher-education, and healthcare contract programs.

WHY COE

100% Employee-Owned
ESOP ownership fosters accountability, responsiveness, and long-term commitment.

Dedicated Contract Support
Experienced contract resources assist with requirements, pricing, documentation, eligibility, reporting, compliance, and ongoing contract administration.'

Local Service + National Resources
Authorized resellers provide local expertise backed by COE's product knowledge, inventory, design, distribution, customer service, and contract resources.

Broad OfficeSource® Portfolio
We offer furniture solutions to support a wide range of public-sector spaces, applications, project sizes, and budget

Complimentary Design Services
Design resources help turn furniture needs into complete solutions through space planning, layouts, product selection, and project development.

In-Stock & Ready to Fulfill
Substantial inventory and nationwide distribution support everyday orders, quick-turn needs, phased projects, and larger furniture requirements.

HOW TO BUY

COE serves public-sector organizations through authorized resellers that provide local sales and service support. Eligible OfficeSource® products are available through COE's portfolio of state, regional, cooperative, higher-education, and healthcare contract vehicles, as well as other approved procurement methods.
