

Top 10

Reasons to Finance

Your Municipal Financing Experts.

1. Safety:

The latest and safest technology available.

2. Warranty Coverage:

Peace-of-mind knowing you have the best equipment available, without additional costs to fix.

3. Simplifies Inventory Management & Maintenance:

All the equipment or vehicles can be tested and maintained at the same interval.

4. Morale & Retention:

Access to the newest and safest technologies keeps morale and retention high.

5. Predictable Budgets & Replacement Schedule:

Predictable payments make it easy to budget. Replacement protocols have easily identifiable start and end dates.

6. Compatibility:

Ensures a safer work environment with all new equipment.

7. Improved ISO Rating:

Improved ISO ratings decrease overall insurance costs for communities.

8. Save Money:

You can reap the benefits of a lower per-unit-price by eliminating future price increases.

9. Quick & Easy:

Financing your equipment or vehicle is quick and easy when working with the experts at CLP.

10. Training & Industry Standards:

Bring your department's equipment or vehicles up to current standards with one purchase.

Community Leasing Partners: Your Municipal Financing Experts

Community Leasing Partners is a division of Community First National Bank, specializing in tax-exempt, lease purchase financing for municipalities and fire departments. Fire trucks, ambulances, equipment, buses, building projects, and any other essential equipment or projects can be financed with a customized, flexible payment structure with no large, up-front cash outlay.

Our financing team brings 100+ years of combined experience and has provided more than two billion dollars of financing. Whether you wish to finance a big-ticket item, smaller piece of equipment, or property, we can handle any lease purchase finance project for you. Call us at **888.777.7850** to learn how we can help.
