ARTICLE 2 – AGREEMENT TO SELL

2.1 Vendor hereby agrees to sell to Purchaser such Products and Services as Purchaser may order from time to time by Purchase Order, all in accordance with and subject to the terms, covenants and conditions of this Agreement. Purchaser agrees to purchase those Products and Services ordered by Purchaser by Purchase Order in accordance with and subject to the terms, covenants and conditions of this Agreement.

2.2 Vendor may add additional products and services to the contract provided that any additions reasonably fall within the intent of the original RFP specifications. Pricing on additions shall be equivalent to the percentage discount for other similar products. Vendor may provide a web-link with current product listings, which may be updated periodically, as allowed by the terms of the resulting Master Price Agreement. Vendor may replace or add product lines to an existing contract if the line is replacing or supplementing products on contract, is equal or superior to the original products offered, is discounted in a similar or to a greater degree, and if the products meet the requirements of the solicitation. No products may be added to avoid competitive procurement requirements. LOC may reject any additions without cause.

2.3 All Purchase Orders issued by Purchaser to Vendor for Products during the term (as hereinafter defined) of this Agreement are subject to the provisions of this Agreement as though fully set forth in such Purchase Order. The Vendor retains authority to negotiate above and beyond the terms of this Agreement to meet the Purchaser or Vendor contract requirements.

2.4 Notwithstanding any other provision of this Agreement to the contrary, the Lead Contracting Agency shall have no obligation to order or purchase any Products and Services hereunder and the placement of any Purchase Order shall be in the sole discretion of the Participating Agencies. This Agreement is not exclusive. Vendor expressly acknowledges and agrees that Purchaser may purchase at its sole discretion, Products and Services that are identical or similar to the Products and Services described in this Agreement from any third party.

2.5 In case of any conflict or inconsistency between any of the Contract Documents, the documents shall prevail and apply in the following order of priority:

- (i) This Agreement;
- (ii) The RFP;
- (iii) Vendor's Proposal;

2.6 Extension of contract terms to Participating Agencies:

2.6.1 Vendor agrees to extend the same terms, covenants and conditions available to Purchaser under this Agreement to Participating Agencies, that have executed an Intergovernmental Cooperative Purchasing Agreement ("IGA") as may be required by each Participating Agency's local laws and regulations, in accordance with Attachment C. Each Participating Agency will be exclusively responsible for and deal directly with Vendor on matters relating to ordering, delivery, inspection, acceptance, invoicing, and payment for Products and Services in accordance with the terms and conditions of this Agreement as if it were "Purchaser" hereunder. Any disputes between a Participating Agency and Vendor will be resolved directly between them under and in accordance with the laws of the State in which the Participating Agency exists. Pursuant to the IGA, the Lead Contracting Agency shall not incur any liability as a result of the access and utilization of this Agreement by other Participating Agencies.

2.6.2 *This Solicitation meets the public contracting requirements of the Lead Contracting Agency and may not be appropriate under or meet Participating Agencies' procurement laws. Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local, tribal, and state solicitation requirements.*

2.6.3 Vendor acknowledges execution of the Vendor Administration Fee Agreement, Contract Number VA25990, with NPPGov, pursuant to the terms of the RFP.

2.7 Oregon Public Agencies are prohibited from use of Products and Services offered under this Agreement that are already provided by qualified nonprofit agencies for disabled individuals as listed on the Department of Administrative Service's Procurement List ("Procurement List") pursuant to ORS 279.835-.855. See www.OregonRehabilitation.org/qrf for more information. Vendor shall not sell products and services identified on the Procurement List (e.g., reconditioned toner cartridges) to Purchaser or Participating Agencies within the state of Oregon.

ARTICLE 3 – TERM AND TERMINATION

3.1 The initial contract term shall be for four (4) calendar years from the Effective Date of this Agreement ("Initial Term"). Upon termination of the original four (4) year term, this Agreement shall automatically extend for a one (1) year period; ("Renewal Term"); provided, however, that the Lead Contracting Agency and/or the Vendor may opt to decline extension of the MPA by providing notification in writing at least thirty (30) calendar days prior to the annual automatic extension anniversary of the Initial Term.

3.2 Either Vendor or the Lead Contracting Agency may terminate this Agreement by written notice to the other party if the other Party breaches any of its obligations hereunder and fails to remedy the breach within thirty (30) days after receiving written notice of such breach from the non-breaching party.

ARTICLE 4 – PRICING, INVOICES, PAYMENT AND DELIVERY

4.1 Purchaser shall pay Vendor for all Products and Services ordered and delivered in compliance with the terms and conditions of this Agreement at the pricing specified for each such Product and Service on Attachment A, including shipping. Unless Attachment A expressly provides otherwise, the pricing schedule set forth on Attachment A hereto shall remain fixed for the Initial Term of this Agreement; provided that manufacturer pricing is not guaranteed and may be adjusted based on the next manufacturer price increase. Pricing contained in Attachment A shall be extended to all NPPGov, Public Safety GPO, First Responder GPO and Law Enforcement GPO members upon execution of the IGA.

4.2 Vendor shall submit original invoices to Purchaser in form and substance and format reasonably acceptable to Purchaser. All invoices must reference the Purchaser's Purchase Order number, contain an itemization of amounts for Products and Services purchased during the applicable invoice period and any other information reasonably requested by Purchaser, and must otherwise comply with the provisions of this Agreement. Invoices shall be addressed as directed by Purchaser.

4.3 Unless otherwise specified, Purchaser is responsible for any and all applicable sales taxes. Attachment A or Vendor's Proposal (Attachment E) shall specify any and all other taxes and duties of any kind which Purchaser is required to pay with respect to the sale of Products and Services covered by this Agreement and all charges for packing, packaging and loading.

4.4 Except as specifically set forth on Attachments A and G, Purchaser shall not be responsible for any additional costs or expenses of any nature incurred by Vendor in connection with the Products and Services, including without limitation travel expenses, clerical or administrative personnel, long distance telephone charges, etc. ("Incidental Expenses").

4.5 Price reductions or discount increases may be offered at any time during the contract term and shall become effective upon notice of acceptance from Purchaser.

4.6 Notwithstanding any other agreement of the Parties as to the payment of shipping/delivery costs, and subject to Attachments A, E, and G herein, Vendor shall offer delivery and/or shipping costs prepaid FOB Destination. If there are handling fees, these also shall be included in the pricing.

4.7 Unless otherwise directed by Purchaser for expedited orders, Vendor shall utilize such common carrier for the delivery of Products and Services as Vendor may select; provided, however, that for expedited orders Vendor shall obtain delivery services hereunder at rates and terms not less favorable than those paid by Vendor for its own account or for the account of any other similarly situated customer of Vendor.

4.8 Vendor shall have the risk of loss of or damage to any Products until delivery to Purchaser. Purchaser shall have the risk of loss of or damage to the Products after delivery to Purchaser. Title to Products shall not transfer until the Products have been delivered to and accepted by Purchaser at Purchaser's Destination.

ARTICLE 5 – INSURANCE

5.1 During the term of this Agreement, Vendor shall maintain at its own cost and expense (and shall cause any subcontractor to maintain) insurance policies providing insurance of the kind and in the amounts

generally carried by reasonably prudent manufacturers in the industry, with one or more reputable insurance companies licensed to do business in Oregon and any other state or jurisdiction where Products and Services are sold hereunder. Such certificates of insurance shall be made available to the Lead Contracting Agency upon 48 hours' notice. BY SIGNING THE AGREEMENT PAGE THE VENDOR AGREES TO THIS REQUIREMENT AND FAILURE TO MEET THIS REQUIREMENT WILL RESULT IN CANCELLATION OF THIS MASTER PRICE AGREEMENT.

5.2 All insurance required herein shall be maintained in full force and effect until all work or service required to be performed under the terms of this Agreement is satisfactorily completed and formally accepted. Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect coverage afforded under the insurance policies to protect the Lead Contracting Agency. The insurance policies may provide coverage that contains deductibles or self-insured retentions. Such deductible and/or self-insured retentions shall not be applicable with respect to the coverage provided to the Lead Contracting Agency under such policies. Vendor shall be solely responsible for the deductible and/or self-insured retention and the Lead Contracting Agency, at its option, may require Vendor to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

5.3 Vendor shall carry Workers' Compensation insurance to cover obligations imposed by federal and state statutes having jurisdiction over Vendor's employees engaged in the performance of the work or services, as well as Employer's Liability insurance. Vendor waives all rights against the Lead Contracting Agency and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the Workers' Compensation and Employer's Liability or commercial umbrella liability insurance obtained by Vendor pursuant to this Agreement.

5.4 Insurance required herein shall not be permitted to expire, be canceled, or materially changed without thirty days (30 days) prior written notice to the Lead Contracting Agency.

5.5 Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Purchaser and other additional insureds for losses paid under the insurance policies required by this Agreement. The waiver must apply to all deductibles and/or self-insured retentions applicable to the necessary insurance that the Vendor maintains.

ARTICLE 6 – INDEMNIFICATION AND HOLD HARMLESS

6.1 Vendor agrees that it shall indemnify, defend and hold harmless Lead Contracting Agency, its respective officials, directors, employees, members and agents (collectively, the "Indemnitees"), from and against any and all damages, claims, losses, expenses, costs, obligations and liabilities (including, without limitation, reasonable attorney's fees), suffered directly or indirectly by any of the Indemnitees to the extent of, or arising out of, (i) any breach of any covenant, representation or warranty made by Vendor in this Agreement, (ii) any failure by Vendor to perform or fulfill any of its obligations, covenants or agreements set forth in this Agreement, (iii) the negligence or intentional misconduct of Vendor, any subcontractor of Vendor, or any of their respective employees or agents, (iv) any failure of Vendor, its subcontractors, or their respective employees to comply with any Applicable Law, (v) any litigation, proceeding or claim by any third party relating in any way to the obligations of Vendor under this Agreement or Vendor's performance under this Agreement, (vi) any Employee Taxes or Unemployment Insurance, or (vii) any claim alleging that the Products and Services or any part thereof infringe any third party's U.S. patent, copyright, trademark, trade secret or other intellectual property interest. Such obligation to indemnify shall not apply where the damage, claim, loss, expense, cost, obligation or liability is due to the breach of this Agreement by, or negligence or willful misconduct of, Lead Contracting Agency or its officials, directors, employees, agents or contractors. The amount and type of insurance coverage requirements set forth herein will in no way be construed as

limiting the scope of the indemnity in this paragraph. The indemnity obligations of Vendor under this Article shall survive the expiration or termination of this Agreement for two years.

6.2 LIMITATION OF LIABILITY: IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR INJURIES TO PERSONS OR TO PROPERTY OR LOSS OF PROFITS OR LOSS OF FUTURE BUSINESS OR REPUTATION, WHETHER BASED ON TORT OR BREACH OF CONTRACT OR OTHER BASIS, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6.3 The same terms, conditions and pricing of this Agreement may be extended to government members of National Purchasing Partners, LLC. In the event the terms of this Agreement are extended to other government members, each government member (procuring party) shall be solely responsible for the ordering of Products and Services under this Agreement. A non-procuring party shall not be liable in any fashion for any violation by a procuring party, and the procuring party shall hold non-procuring parties or unrelated purchasing parties harmless from any liability that may arise from action or inaction of the procuring party.

ARTICLE 7 – WARRANTIES

Purchaser shall refer to Vendor's Proposal for all Vendor and manufacturer express warranties, as well as those warranties provided under Attachment B herein.

ARTICLE 8 - INSPECTION AND REJECTION

8.1 Purchaser shall have the right to inspect and test Products at any time prior to shipment, and within a reasonable time after delivery to the Purchaser's Destination. Products not inspected within a reasonable time after delivery shall be deemed accepted by Purchaser. The payment for Products shall in no way impair the right of Purchaser to reject nonconforming Products, or to avail itself of any other remedies to which it may be entitled.

8.2 If any of the Products are found at any time to be defective in material or workmanship, damaged, or otherwise not in conformity with the requirements of this Agreement or any applicable Purchase Order, as its exclusive remedy, Purchaser may at its option and at Vendor's sole cost and expense, elect either to (i) return any damaged, non-conforming or defective Products to Vendor for correction or replacement, or (ii) require Vendor to inspect the Products and remove or replace damaged, non-conforming or defective Products with conforming Products. If Purchaser elects option (ii) in the preceding sentence and Vendor fails promptly to make the necessary inspection, removal and replacement, Purchaser, at its option, may inspect the Products and Vendor shall bear the cost thereof. Payment by Purchaser of any invoice shall not constitute acceptance of the Products covered by such invoice, and acceptance by Purchaser shall not relieve Vendor of its warranties or other obligations under this Agreement.

8.3 The provisions of this Article shall survive the expiration or termination of this Agreement.

ARTICLE 9 – SUBSTITUTIONS

Except as otherwise permitted hereunder, Vendor may not make any substitutions of Products, or any portion thereof, of any kind without the prior written consent of Purchaser.

ARTICLE 10 - COMPLIANCE WITH LAWS

10.1 Vendor agrees to comply with all Applicable Laws and at Vendor's expense, secure and maintain in full force during the term of this Agreement, all licenses, permits, approvals, authorizations, registrations and certificates, if any, required by Applicable Laws in connection with the performance of its obligations hereunder. At Purchaser's request, Vendor shall provide to Purchaser copies of any or all such licenses, permits, approvals, authorizations, registrations and certificates.

10.2 Purchaser has taken all required governmental action to authorize its execution of this Agreement and there is no governmental or legal impediment against Purchaser's execution of this Agreement or performance of its obligations hereunder.

10.3 When a Participating Agency procures Products and Services under this Agreement using United States federal funds, including but not limited to federal grants or FEMA funding, the procurement shall be subject to the terms and conditions set forth in Attachment D – Requirements for Procurements Utilizing Federal Funds and Grants, which is incorporated herein by reference. The Vendor shall comply with all applicable federal laws, regulations, and requirements outlined in Attachment D, including but not limited to those specified in 2 C.F.R. § 200, as amended, and any additional stipulations based on the source of funding. All references to "federal" in this section and Attachment D pertain exclusively to the United States federal government.

10.4 When a Participating Agency accesses Vendor's Products and Services with United States federal funds, Vendor shall comply with the provisions set forth in Attachment D – Provisions for Non-United States Federal Entity Procurements Under United States Federal Awards or Other Awards, which is incorporated herein by reference.

ARTICLE 11 – PUBLICITY / CONFIDENTIALITY

11.1 No news releases, public announcements, advertising materials, or confirmation of same, concerning any part of this Agreement or any Purchase Order issued hereunder shall be issued or made without the prior written approval of the Parties. Neither Party shall in any advertising, sales materials or in any other way use any of the names or logos of the other Party without the prior written approval of the other Party.

11.2 Any knowledge or information which Vendor or any of its affiliates shall have disclosed or may hereafter disclose to Purchaser, and which in any way relates to the Products and Services covered by this Agreement shall not, unless otherwise designated by Vendor, be deemed to be confidential or proprietary information, and shall be acquired by Purchaser, free from any restrictions, as part of the consideration for this Agreement.

ARTICLE 12 - RIGHT TO AUDIT

Subject to Vendor's reasonable security and confidentiality procedures, Purchaser, or any third party retained by Purchaser, may at any time upon prior reasonable notice to Vendor, during normal business hours, audit the books, records and accounts of Vendor to the extent that such books, records and accounts pertain to sale of any Products and Services hereunder or otherwise relate to the performance of this Agreement by Vendor. Vendor shall maintain all such books, records and accounts for a period of at least three (3) years after the date of expiration or termination of this Agreement. The Purchaser's right to audit under this Article 12 and Purchaser's rights hereunder shall survive the expiration or termination of this Agreement for a period of three (3) years after the date of such expiration or termination.

ARTICLE 13 - REMEDIES

Except as otherwise provided herein, any right or remedy of Vendor or Purchaser set forth in this Agreement shall not be exclusive, and, in addition thereto, Vendor and Purchaser shall have all rights and remedies under Applicable Law, including without limitation, equitable relief. The provisions of this Article shall survive the expiration or termination of this Agreement.

ARTICLE 14 - RELATIONSHIP OF PARTIES

Vendor is an independent contractor and is not an agent, servant, employee, legal representative, partner or joint venture of Purchaser. Nothing herein shall be deemed or construed as creating a joint venture or partnership between Vendor and Purchaser. Neither Party has the power or authority to bind or commit the other.

ARTICLE 16 - FORCE MAJEURE

Except for Purchaser's obligation to pay for Products and Services delivered, delay in performance or non-performance of any obligation contained herein shall be excused to the extent such failure or non-performance is caused by force majeure. For purposes of this Agreement, "force majeure" shall mean any cause or agency preventing performance of an obligation which is beyond the reasonable control of either Party hereto, including without limitation, fire, flood, sabotage, shipwreck, embargo, strike, explosion, labor trouble, accident, riot, acts of governmental authority (including, without limitation, acts based on laws or regulations now in existence as well as those enacted in the future), acts of nature, and delays or failure in obtaining raw materials, supplies or transportation. A Party affected by force majeure shall promptly provide notice to the other, explaining the nature and expected duration thereof, and shall act diligently to remedy the interruption or delay if it is reasonably capable of being remedied. In the event of a force majeure situation,

deliveries or acceptance of deliveries that have been suspended shall not be required to be made upon the resumption of performance.

ARTICLE 17 - WAIVER

No delay or failure by either Party to exercise any right, remedy or power herein shall impair such Party's right to exercise such right, remedy or power or be construed to be a waiver of any default or an acquiescence therein; and any single or partial exercise of any such right, remedy or power shall not preclude any other or further exercise thereof or the exercise of any other right, remedy or power. No waiver hereunder shall be valid unless set forth in writing executed by the waiving Party and then only to the extent expressly set forth in such writing.

ARTICLE 18 - PARTIES BOUND; ASSIGNMENT

This Agreement shall inure to the benefit of and shall be binding upon the respective successors and assigns of the Parties hereto, but it may not be assigned in whole or in part by Vendor without prior written notice to Purchaser which shall not be unreasonably withheld or delayed.

ARTICLE 19 - SURVIVABILITY/PARTICIPATING AGENCY DISCRETIONARY EXTENSION

Provided the laws of the jurisdiction of the Participating Agency permit survivability of the contract term through a mutually agreed upon extension of the agreement between the Participating Agency and the Vendor beyond the term of the publicly awarded Agreement, to be determined and confirmed by the Participating Agency at its sole discretion, all applicable agreements and warranties that were entered into between Vendor and the Participating Agency under the terms and conditions of the Agreement shall survive the expiration or termination of the Agreement if mutually agreed upon between the Vendor and the Participating Agency. All purchase orders issued and accepted by Vendor shall survive expiration or termination of the Agreement for the term of the purchase order or subscription, unless the Participating Agency terminates the purchase order sooner. However, regardless of the term of the purchase order or subscription, no purchase order shall survive the expiration or termination of the Agreement unless the Participating Agency makes an express finding and justification for the longer term as mutually agreed upon by the Participating Agency and Vendor. The finding and justification must either be included in the purchase order or referenced in the purchase order and maintained in the Participating Agency's procurement record. Contract maintenance and adjustments contemplated after the maturity date of the Lead Public Agency cooperative procurement contract, and prior to the expiration date of the Purchase Order or subscription, shall be individually negotiated directly between the awarded Vendor and the Participating Agency identified in that Purchase Order or subscription. Rights and obligations under this Agreement which by their nature should survive, including, but not limited to, the administrative fee provided in the Vendor Administrative Agreement and any and all payment obligations invoiced prior to the termination or expiration hereof, obligations of confidentiality, and indemnification will remain in effect after termination or expiration hereof.

ARTICLE 20 - SEVERABILITY

To the extent possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under Applicable Law. If any provision of this Agreement is declared invalid or unenforceable, by judicial determination or otherwise, such provision shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as if not containing the particular invalid or unenforceable provision or provisions and the rights and obligations of the Parties shall be construed and enforced accordingly.

ARTICLE 21 - INCORPORATION; ENTIRE AGREEMENT

21.1 All the provisions of the Attachments hereto are hereby incorporated herein and made a part of this Agreement. In the event of any apparent conflict between any provision set forth in the main body of this Agreement and any provision set forth in the Attachments, including the RFP and/or Vendor's Proposal, the provisions shall be interpreted, to the extent possible, as if they do not conflict. If such an interpretation is not possible, the provisions set forth in the main body of this Agreement shall control.

21.2 This Agreement (including Attachments and Contract Documents hereto) constitutes the entire Agreement of the Parties relating to the subject matter hereof and supersedes any and all prior written and oral agreements or understandings relating to such subject matter.

ARTICLE 22 - HEADINGS

Headings used in this Agreement are for convenience of reference only and shall in no way be used to construe or limit the provisions set forth in this Agreement.

ARTICLE 23 - MODIFICATIONS

This Agreement may be modified or amended only in writing executed by Vendor and the Lead Contracting Agency. The Lead Contracting Agency and each Participating Agency contracting hereunder acknowledge and agree that any agreement entered into in connection with any Purchase Order hereunder shall constitute a modification of this Agreement as between the Vendor and the Participating Agency. Any modification of this Agreement as between Vendor and any Participating Agency shall not be deemed a modification of this Agreement for the benefit of the Lead Contracting Agency or any other Participating Agency.

REQUIREMENTS FOR PROCUREMENTS UTILIZING FEDERAL FUNDS AND GRANTS

Summary of Key Provisions for Participating Agencies Utilizing U.S. Federal Funds

Participating Agencies acquiring goods or services through this contract using United States federal grants or FEMA funding are subject to specific requirements, including those outlined in 2 C.F.R. § 200. Additional stipulations may apply based on the source of funding. For reference, “federal” pertains exclusively to the United States federal government.

The following provisions are applicable solely when a Participating Agency procures Vendor equipment, products, or services with United States federal funds:

A. Equal Employment Opportunity

Contracts classified as “federally assisted construction contracts” under 41 C.F.R. § 60-1.3 must incorporate the Equal Opportunity clause pursuant to 41 C.F.R. § 60-1.4(b), ensuring compliance with Executive Order 11246 (as amended) and relevant Department of Labor regulations. This provision is included by reference.

B. Davis-Bacon Act, as Amended (40 U.S.C. § 3141-3148)

Prime construction contracts exceeding \$2,000 require adherence to the Davis-Bacon Act and related Department of Labor regulations (29 C.F.R. § 5). Contractors must pay at least the prevailing wage determined by the Secretary of Labor, with weekly payments mandated. Each solicitation must feature the current wage determination, and any violations must be reported to the awarding agency. Compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145; 29 C.F.R. § 3) is also required.

C. Contract Work Hours and Safety Standards Act (40 U.S.C. § 3701-3708)

Contracts exceeding \$100,000 involving mechanics or laborers must comply with 40 U.S.C. §§ 3702 and 3704, and 29 C.F.R. § 5. Wages must reflect a standard 40-hour work week, with overtime compensated at no less than one and a half times the basic rate. Workers must not be subjected to hazardous or unsafe conditions. These rules exclude supply purchases and transportation contracts. The Vendor confirms compliance throughout the contract duration.

D. Rights to Inventions Made Under a Contract or Agreement

If the federal award qualifies as a “funding agreement” per 37 C.F.R. § 401.2(a), recipients contracting with small businesses or nonprofit organizations for research must observe 37 C.F.R. § 401 and associated regulations.

E. Clean Air Act and Federal Water Pollution Control Act

For contracts and subgrants exceeding \$150,000, full compliance with the Clean Air Act (42 U.S.C. § 7401–7671Q) and Federal Water Pollution Control Act (33 U.S.C. § 1251–1387) is mandatory. Any violations should be reported to both the awarding agency and the EPA. Vendors certify their compliance.

F. Debarment and Suspension (Executive Orders 12549 and 12689)

No contract shall be awarded to entities listed in the System for Award Management (SAM) exclusions under 2 C.F.R. § 180 and Executive Orders 12549 and 12689. Vendors confirm they are neither debarred nor excluded by any federal agency.

G. Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352)

Vendors must submit requisite certifications and refrain from utilizing federal funds to influence government officials in relation to contracts, grants, or awards. All lobbying with non-federal funds must be disclosed and communicated across all tiers. Vendors agree to adhere strictly to the Byrd Anti-Lobbying Amendment.

H. Record Retention Requirements

Vendors shall retain records in accordance with 2 C.F.R. § 200.333 for three years beyond final report submission and until all matters have been resolved.

I. Energy Policy and Conservation Act Compliance

Where relevant, Vendors must comply with mandatory energy efficiency standards detailed in the state energy conservation plan under the Energy Policy and Conservation Act.

J. Buy American Provisions Compliance

When applicable, Vendors must comply with the Buy American Act and ensure purchases adhere to procurement rules that require free and open competition.

K. Access to Records (2 C.F.R. § 200.336)

Vendors grant authorized representatives of federal agencies access to pertinent books, documents, papers, and records for audits, examinations, excerpts, and transcriptions, as well as personnel interviews relating to such records.

Non-federal entities that are state agencies or political subdivisions and their contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. This includes procuring items designated in EPA guidelines (40 C.F.R. § 247) containing the highest practical percentage of recovered materials, maximizing energy and resource recovery for solid waste management, and establishing affirmative procurement programs for recovered materials as specified by EPA.

Entities utilizing United States federal grant or FEMA funds for procurement may be subject to further requirements, including those under 2 C.F.R. § 200, with all references to “federal” denoting the United States federal government.

Each party will be responsible only for the risks and responsibilities inherent in its own business (Agency will be responsible for its duties as a provider of temporary staffing services as specified above, and Client will be responsible for the operations/processes/procedures that relate to its business/operations). Agency will indemnify Client for third party claims, losses, penalties, and damages to the extent such arises from an Agency duty as specified above, and Client agrees to indemnify Agency for claims, losses, penalties, and damages to the extent such arises from a Client duty as referenced above.

If Client utilizes Agency Personnel for less than 4 hours, Agency may bill Client for up to 4 hours (e.g. where applicable law requires the Talent to be paid for such hours).

*If Agency's labor costs increase due to compliance with any new law, increased tax amount or other measure beyond its control (e.g., a change to minimum wage rate, state unemployment insurance, workers' compensation, mandatory benefits requirements, change in Client policy), then Agency shall have the right, upon notice, to increase the fees to compensate for such increased costs.

Illinois and New Jersey. Client shall provide Agency with the information necessary to establish pay and wage rates compliant with state law for Talent that are no less than the average rate of pay and cost of benefits, or cash equivalent of such benefits, provided to Client employees. Agency shall rely entirely on the information provided by Client to establish pay and wage rates hereunder. Client shall indemnify Agency for damages or losses resulting from a failure by Client to provide or Client's inaccurate provision of pay, wage or benefit information, relied upon by Agency, to accurately calculate and establish the pay rate of the Talent and/or any damages arising from a finding, determination, judgment by a federal, state, or local court of law or agency that such pay calculation was incorrect.

California. For Talent working in California, Client will comply with applicable laws, rules, and regulations (e.g. meal and rest periods, quota requirement notifications, provision of work speed data to Talent, etc.). Client agrees it shall provide such notices and data to assigned Talent where such are required. Client agrees to indemnify to the extent Client fails to comply with the foregoing. If the Client mandates that Talent track hours worked in Client's time keeping system, or mandates that Talent use a third-party system to track hours worked, such as a Vendor Management System, Client agrees to supply Agency with all time detail, including all hours worked and meal periods taken each day by Talent, on a weekly basis. Client will ensure Talent take all required meal periods, rest breaks, and/or other mandated breaks in a timely manner, as required by law. If Client fails to give Talent compliant meal period, rest break, or other mandated break, Client agrees Talent will be paid according to California law and all hours due to the employee will be paid and invoiced to Client. Regarding

California-mandated sick pay, for each Talent who has been on assignment for 30 calendar days and has met the California-mandated sick pay qualifications, Agency may bill back to Client said sick pay costs at the regular markup on the respective Talent's pay rate.
