

LEAGUE OF OREGON CITIES
STAFFING SERVICES WITH RELATED SERVICES AND SOLUTIONS
Solicitation No. 2540

Intent

The League of Oregon Cities (LOC) served as Lead Agency to solicit proposals for Staffing Services with Related Services and Solutions. LOC works in cooperation with National Purchasing Partners “NPP” and its Government Division dba NPPGov, dba Public Safety GPO and dba Law Enforcement GPO (collectively hereinafter “NPPGov”), to service the LOC and NPPGov membership. The published Request for Proposal (RFP) contained provisions that permitted all members of LOC and NPPGov throughout the nation to “piggy-back” off the resulting Master Price Agreement.

Determination for issuing RFP vs. Sealed Bid

LOC has determined that it is advantageous for LOC to procure Staffing Services with Related Services and Solutions using a secure competitive RFP process evaluated based on “best value” rather than sealed bidding. Sealed bidding limits evaluation of offers solely to compliance with the requirements, provides no opportunity to compare the product and service offerings among the vendors, and uses price as the predominate deciding factor. Such limitations prevent LOC from awarding the most advantageous contract(s) to LOC and its members.

Procedure

LOC issued an RFP (2540) on May 12, 2025.

The RFP was posted to the following websites: orcities.org and nppgov.com on May 12, 2025.

Disclosure Note: Supplemental newspaper ads for these RFPs, published on May 12, 2025 in DJC Oregon and USA Today, contained an inadvertent error listing the proposal closing date as July 11, 2025. The official RFP documents accurately stated July 21, 2025, which fully governed the process. Proposals were solicited, received, evaluated on a best value basis, and awarded in complete compliance with this timeline per ORS Chapter 279B. No reliance on the ads was reported by proposers, and no protests were filed during the protest period. All executed contracts are valid and unaffected.
