

## About Us

For over 25 years, Discount Two-Way Radio has been one of the largest in the country two-way radio distributors that provides cost-effective two-way radio turnkey solutions to Federal, State, and Local sectors. We strive to view our business through the eyes of our customers and fulfill their expectations by offering the best-made products and highest-quality services in a uniquely fun, passionate, and forward-thinking environment. Whether you are a first-time radio purchaser and do not know where to start, or a seasoned two-way radio pro, we can help you find the radio that fits your needs and provides you with exactly what you are looking for without the inflated price!
