

Company Information

BRINC is an American public safety drone manufacturer. The BRINC product ecosystem offers end-to-end solutions for drone operations, providing agencies with a new way to get eyes on the scene, de-escalate, and respond to 911 calls. Founded in response to the Las Vegas Route 91 festival shooting, BRINC is committed to deploying drones and other technology that benefit the community and help save lives.

Products on Contract

- Drone as First Responder Solution: Consisting of BRINC Responder, Station, and LiveOps
- Responder: The world's first purpose-made 911 response drone
- Station: Drone base station designed to deploy
- Responder in 5 seconds
- BRINC Ball - A wireless throwable, two-way communications device
- LiveOps - Online streaming platform compatible with all BRINC hardware
