

## Company Information

Quest Diagnostics provides pre-employment, periodic, random, reasonable suspicion, return-to-duty and follow up drug testing services. We offer comprehensive laboratory-based and rapid testing services, with multiple specimen and processing options available. Drug testing options include laboratory-based urine, hair and oral fluid drug tests, FDA-listed screening tests for oxycodone and ecstasy, alcohol testing and more.

## Products on Contract

- Urine Drug Testing: Detects recent drug use and is the only testing method approved for federally mandated testing.
- Oral Fluid Testing: Offers confidential lab-based drug test results from a minimally invasive, observed collection.
- It can screen for drugs in a donor's system soon after use.
- Hair Testing for Drugs of Abuse: The only drug testing method available that provides up to a 90-day drug use history.
