

Fire Apparatus, Ambulance, and Other First Responder Vehicles, Accessories, and Service

Company Information

BME Fire Trucks designs and manufactures purpose-built apparatus for wildland and urban firefighting. Our lineup includes Type 3, 4, and 6 engines, water tenders, crew carriers, quick-attack units, and more—each engineered for durability, off-road performance, and real-world conditions. We work closely with departments to customize every build, ensuring it meets the demands of the terrain and mission.
