

Fire Apparatus, Ambulance, and Other First Responder Vehicles, Accessories, and Service

Company Information

Fort Garry Fire Trucks (FGFT) produces fire-rescue apparatus including pumper trucks, rescues, tankers, wildland, water delivery, septic trucks, and specialty vehicles for municipal, industry, and defense. The company offers a diverse product line, a leading-edge rubber products division, and superior manufacturing methods and materials supported by ISO 9001 quality control. FGFT recognizes the need for apparatus to serve their communities and protect firefighters under the harshest conditions.
