eCourt Date

Legal Case, Document, and Contract Management Solutions

Company Information

eCourtDate is an AI-powered communications and data management platform for the justice system. It automates multilingual reminders via text, email, voice, and push notifications, reducing failure-to-appear rates and saving staff time. Agencies use AI tools, analytics, and secure portals for real-time updates. Predictive tools flag risks early, while chatbots provide 24/7 support for scheduling, check-ins, and case information.
